NON-CIVIL SERVICE MAN TO BE HIRED

Council Ballots Three Ways On Appointment Of New Engineer Aide

Daly City councilmen voted 3-1-1 Monday night on the immediate appointment of a non-civil service senior civil engineer for the public works department.

Jay Hartmen and Shelby Ross, representative and president of the muni employees union, protested the designation of the job as "appointive." Both cited that the personnel board recommended the position be a classified one, although the council, by resolution last June, approved the new position as appointive.

City Engineer Bill Chapman insisted that he needs a professional man immediately to ease the burden in his overworked department. He also strongly maintained that the new man should be appointive in order to attract a highly qualified professional.

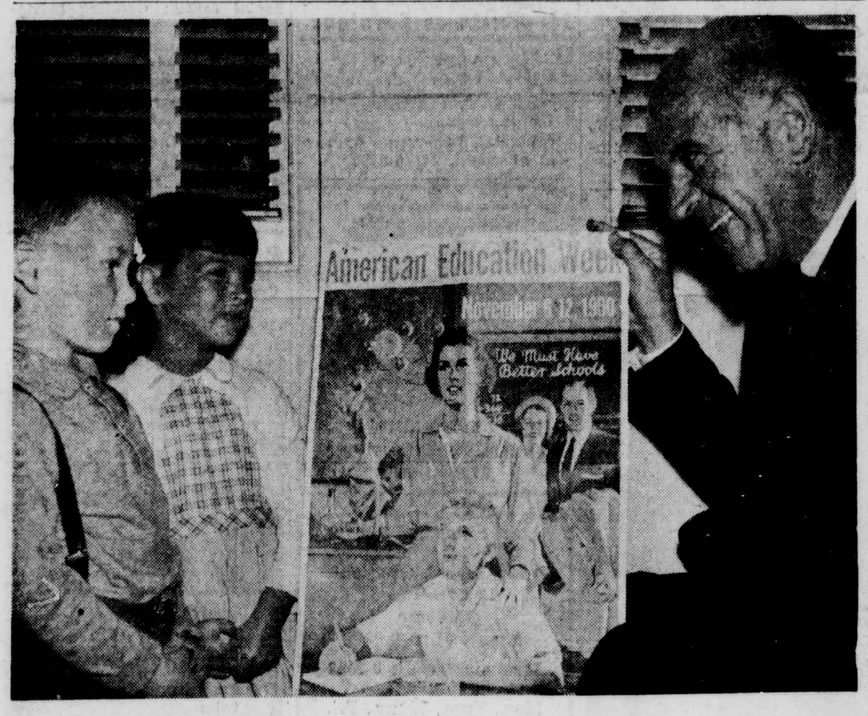
Mayor Frank Pacelli sided with the arguments of Hartman and Ross and asked for more study and clarification on the jobs of senior civil engineer and civil engineer. Pacelli voted against the appointment, Councilman Edward Dennis abstained, but Councilmen Bob St. Clair and Micheal DeBernardi supported Joseph Verducci's motion for the appointive assignment.

City Manager Edward Frank emphasized there was no doubt the council settled the "appointive" matter by resolution in June. Money is in the current budget for an appointive "senior civil engineer," second in command to department head Chapman. The position of civil engineer is not in the present budget.

Hartman and Ross argued that the two positions have similar responsibilities and should be filled by civil service employees.

Ross also said there wasn't enough definition in the personnel board's letter which recommended that "the position of senior civil engineer remain in the classified service, and not be an appointed position."

Ross said Personnel Commissioner John Drye's motion was that the new post be a classified assignment, regardless of whether it is called "senior civil engineer" or "civil engineer."



FUTURE of children like Jefferson Elementary School first graders Carol Badran and John Condron, pictured with District Superintendent Richard L. Foster, hinges on parental interest in the educational program. "Strengthening Schools for the 60's" is the theme of "American Education Week," November 6-12. Daly City area schools are staging open house and hope many parents will participate.

Oceana High Contract Awarded To Lowest Bidder At $1,659,717

Construction contract for Oceana High School in Sharp Park was awarded to low bidder Dickman Construction of Mountain View last Friday night by trustees at a total price of $1,659,717.

The only other bidder was Ralph Larsen & Sons of South San Francisco. This was the second bid opening — two months ago all three bidders' estimates exceeded the state's allowance for the project.

Dickman's base bid was $1,269,000 compared to $1,279,813 by Larsen & Sons.

Oceana High is set for a September of 1962 completion date. Second Pacifica High School, Terra Nova in Linda Mar, is under construction and should be ready for all Pacifica students next September. Debut of Terra Nova will bring an end to double sessions at Westmoor High where currently Pacifica ninth, tenth and eleventh graders attend the afternoon session.

The Oceana contract includes funds from the district's civic center act—$5500 for a running track and $26,500 for seven tennis courts.

Oceana's architect is Mario Ciampi, designer of Westmoor.

Council Orders Artillery Piece ---Not For War!

Daly City councilmen Monday night ordered a piece of artillery — but purely for peaceful purposes.

They approved the expenditure of $120 to demilitarize (render unfirable) a 15-ton, 155 mm artillery rifle which the city can get free of charge from the U. S. Ordinance Depot at Benecia, California.

Idea for bringing the 34-foot artillery weapon here—for use at Marchbanks Park by kiddies—came from St. Francis Heights resident Lt. Col. Kermit E. Vangene, 219 St. Catherine drive.

Children will be able to play around the weapon and simulate combat glory in the typical games small fry thrive on. Anchored down, the weapon will be harmless and certainly should be a popular attraction.

Sanitation Board 'Decision' Monday

North San Mateo County Sanitation District directors will meet next Monday at 9 a.m. at district headquarters in Westlake. On the agenda will be Councilman Joseph Verducci's request that all sanitation district meetings be held at night and at City Hall to promote more public attendance.

State Decision Awaited

COUNCIL AGREES TO POSTPONE VOTE ON FREEWAY PLAN

Daly City councilmen consented Monday night to wait until their November 28 regular meeting before approving a final agreement with the state on the Junipero Serra freeway route.

George McKeon of Zita Corporation asked councilmen to delay their final resolution so that he could pursue his proposal for moving the east-west freeway lateral south of Christopher Columbus school site, Skyline and St. Francis boulevards.

Councilmen told McKeon they had been informed by the state that his proposal had been turned down in Sacramento, but the builder said he would be meeting within the next two weeks with state highway brass to get a final answer.

McKeon admitted that he had heard the state's ruling "had been adverse . . . but we'd like at least two more weeks."

The council's unanimous position is that it will not change its position on the Junipero Serra freeway network and that any changes would have to be recommended by the state.

McKeon also asked the council to take off the agenda his request for a variance to erect four-story apartments on Eastmoor avenue. The Planning Commission approved this variance (city ordinance limits height to 36 feet), but Fire Chief Elmer Kennedy's letter to the council Monday opposed the variance. Kennedy pointed out that his department did not have sufficient apparatus to service four-story structures. The council then postponed action on McKeon's request.

After McKeon left, Engineer Carl Timmons of Doelger Corporation told the council that additional delays on their freeway resolution might seriously effect present plans for traffic interchanges south of Westlake Units 9 and 11 at Edgemar freeway as proposed by his

Trick-Or-Treater Gets Rough "Answer" On Eastgate Drive

Daly City police experienced a fairly normal Halloween night, but there was one incident that drew extra attention.

Mother of a St. Francis boulevard youth, 12, called the cops about 9:30 p.m. and revealed that the lad had been knocked down and kicked by a young adult while making "trick or treat" calls on Eastgate drive.

Officer Jim Sunderland investigated and learned—after checking both sides of the story — that the 12-year-old had knocked on the door, failed to get any response, then sprayed candle-wax on the door. The 15-year-old son of the occupant, thinking someone was damaging the door, admitted chasing the other youngster and dumping him.

The trick-or-treater lost a front tooth in the mishap.

OFFICER SAYS 'LINE OF DUTY'

33-Year-Old Patrolman Under Fire For Having Wife With Him In Vehicle During Hot Pursuit

CHIEF PETROCCHI
... Orders suspension

Daly City Police Chief Roland Petrocchi suspended 33-year-old Patrolman Stephen F. Steen Monday in the aftermath of a high-speed chase of a reckless driver late Friday night that resulted in total damage to Steen's '59 police car and heavy damages to a second vehicle.

With the department since December of 1956, Steen and his wife, Tania, 30, both suffered injuries in the pileup.

Petrocchi ordered the suspension on the grounds that Steen was violating department rules in having an unauthorized passenger—his wife—in the patrol car.

"We have strict rules about our vehicles and they must be observed," said Petrocchi. "I will file charges within three days and then let the city council and city manager weigh the incident."

Steen's account of the episode was that he was driving his wife home for lunch about 11:40 p.m. (he works the 7 p. m. to 3 a.m. shift) when he intercepted a police radio call about a reckless driver going at high speeds in the vicinity of Westmoor High. Steen said he heard Westlake patrol officer Ralph Warren radio headquarters that he was checking such a complaint in front of Westmoor and then Warren "signed off."

Shortly thereafter Steen spotted the suspected auto, U-turned on Westmoor and gave chase to the driver, sailor Robert E. Turney, 18, who subsequently was apprehended the next evening while parked in the Mission Drive-In theater.

Steen, believing that Warren was in no position to halt the reckless auto, used his car's red light and siren and pursued the 1958 Impala sedan on Eastmoor, then north on Sullivan, and finally onto Junipero Serra. From there, Turney, whose home address is 475 Southgate avenue, Westlake, sped south on Junipero Serra at speeds that witnesses said approximated 80 to 90 miles per hour. Just over the crest of the hill, one quarter of a mile north of the Chinese Cemetery road, the crash occurred.

Steen suffered several body bruises and a cut beneath his right eye, while his wife, riding in the back seat, sustained leg injuries. Both were taken to Junipero Serra Hospital by Officer Dennis Sheehy as California Highway Patrol and

(Continued on Page 2)

SF Chief Cites DC Sergeant

San Francisco Police Chief Tom J. Cahill this week in a letter praised Daly City Police Sergeant John (Jack) Walsh for his instrumental role in the apprehension of the two sets of brothers who staged a series of local burglaries and armed robberies.

In mid-October, Walsh's fingerprint work led to eventual trackdown of Donald and Ronald Perrin and James and Dante Chelossi—a foursome involved in raids on the Westlake Medical-Dental building, Ferrando Concrete, and General Acceptance Corporation, plus two medical building jobs and a holdup in San Francisco.

Walsh checked out prints on a raid here last month and matched these with others made on Donald Perrin a few years ago. He forwarded this data to San Francisco authorities who were apprised of Perrin's relationship with James Chelossi. Finally, all four young men were arrested.

Cops Halt Hotel Clerk Armed With Revolver

Daly City police arrested a San Francisco hotel clerk Saturday morning about 1:30 o'clock after the latter reportedly threatened to kill his "friend," Tony Mas, Daly City resident at 478 Miriam street.

Sgts. Jerry Galindo and David Hansen and Officer Ralph Warren got a call from Mas and responded to the scene. They discovered John Edward Yates, 47, sitting in a cab outside Mas' home, and in the waist-band of Yates' trousers was a loaded .38 caliber revolver.

According to the police re-

(Continued on Page 2)

LADY SAYS 'SORRY' AFTER SHE DRIVES CAR INTO FIREMAN

A 24-year-old Daly City woman who somewhat "playfully" rammed her car into a Daly City fireman last week could face prosecution on a serious charge of assault with a deadly weapon.

Injured in the freak incident was fireman Richard Verducci, 180 Huntington drive, whose left leg was bruised by the auto driven by Sharon Pearl Hutchins, 146 Woodrow street.

Verducci told police he, firemen David Gash, Vince De Bono and Ed Cooke were at Marchbanks Park Tuesday afternoon last week to disperse a swarm of bees. Verducci was standing, water hose in hand, on the park's fence, at the corner of North Parkview and Woodrow, when the woman admittedly drove her car towards him, pinning his left leg to the fence.

Miss Hutchins, according to the police report of Officer Phil LaBruzzo, quickly "apologized" to Verducci, asked if he were hurt, and said she was sorry, "I thought you were someone else and I was just trying to scare this other person."

Investigation proved that the woman was under the influence of a mild hypnotic drug, similar to tranquilizers, which had been prescribed by a local doctors.

Lt. Bruno Conci of Daly City said several pills found on Miss Hutchins last week were forwarded to Sacramento for analysis by the State Bureau of Narcotics. He said Miss Hutchins could face a charge of

(Continued on Page 2)

Police Grab Two Burglary Suspects At Motel Here

Two Millbrae burglary suspects were nabbed by Daly City police Tuesday night about 10:30 o'clock in a Mission street motel.

Turned over to Millbrae officers were Richard B. Lyons, 24, and Harry S. Howard, 22.

Millbrae radioed the pair's license number earlier in the evening and DC Officer Phil LaBruzzo spotted their car entering the motel lot. Sgt. David Hansen and Officer Richard Sims assisted LaBruzzo in nabbing the suspects.

Police Capt. Roy Beecher said the pair were wanted for a burglary in Millbrae on Monday evening.

'Multiple' Thief Responsible For Six Local Raids

Daly City police this week followed through on their case against Ronald H. McKenna, 21-year-old Napa resident who has pled guilty to at least six burglaries here the past two years and faces prosecution on similar tactics in South San Francisco, San Bruno, Napa, Vallejo, San Rafael, Belvedere and Vallejo.

McKenna, who lived in Daly City two years ago on School street and also on Peoria, was nabbed in the act of burglarizing a South SF residence two weeks ago. He's due in Redwood City Superior Court on multiple burglary counts next Monday.

Sgt. Charles Terry and Officer George Brooks handled the extensive local investigation and Brooks was present Wednesday when McKenna underwent a lie detector test at the county sheriff's office.

Two of McKenna's local raids were at 600 St. Francis boulevard and at 806 Skyline drive. His loot included two pistols which have been recovered, Brooks said.

CALLAN-FITZGERALD DUEL UNPREDICTABLE

First District Supervisor Race, Partisan Scrambles May Be Close

Daly City and San Mateo County voters are expected to flood the polls in record number next Tuesday to settle at least five hotly contested local races that could be as razor-close as the presidential outcome.

Daly City's 98 precincts and the county's 993 will be open from 7 a.m. to 7 p.m., according to County Clerk John A. Bruning.

Eligible to vote county-wide are 119,014 Democrats and 99,377 Republicans. Daly City registration is 14,655 Demos and 7061 GOP supporters.

State registration is 4,295,330 Democrats, 2,926,408 Republicans.

Northern San Mateo County registration is particularly heavy with Democrats, and this margin may make the difference in the Nixon-Kennedy tabulations. The southern part of the county traditionally is strongly Republican.

The partisan races match Congressman J. Arthur Younger, 9th District, against Democrat John D. Kaster, a physician and surgeon; State Senator Richard J. Dolwig, 21st District, and Demo William F. Gately, an attorney; and 25th District Assemblyman Louis J. Francis, Republican, against Robert H. Hardgrove, a public relations consultant.

Perhaps the keenest balloting will be between incumbent Supervisor Thomas Callan Sr. of Colma and San Bruno business executive James "Jim" Fitzgerald, former San Bruno city councilman. Callan seeks his third four-year term and currently is chairman of the county board of supervisors.

In the primary, Fitzgerald got 48,036 votes to 45,296 for Callan.

The duel between Menlo Park city attorney James T. O'Keefe and Millbrae attorney Louis E. Wexler for superior court judge also has sparked considerable county-wide attention. The vacancy was created by the retirement of octogenarian Aylett Cotton, dean of the county court system.

Candidates for the County Harbor District Board of Commissioners (two openings) are incumbent J. Charles Schultheis, retired port official John F. Condon, consulting chemist Nancy Jewell Cross, and Mayor Harold Feyge of Pacifica.

Voters also will consider "Yes" or "No" on 15 state propositions. Drawing the most interest are Proposition 1 (state water bonds issue) and Proposition 15 (state senate reapportionment).

B'MOOR, SSF WATER RATE HEARINGS SET

California Public Utilities Commission today announced the dates of hearings on rate increases applied for by the California Water Service Company in its Broadmoor district and South San Francisco district.

Hearing regarding the Broadmoor district rates is scheduled at the State Building, San Francisco, on Monday, November 28, at 10 a.m. before Examiner F. Everett Emerson.

Broadmoor District rates have been in effect since August 1, 1955, and the company's application says that higher wages, which have gone into effect since this time and inflationary trends in the costs of material and supplies have reduced its rate of return. The company is seeking an increase of approximately 20 per cent in its gross revenues in the Broadmoor District. For general metered service the minimum monthly charge now is $1.75 per month, with an additional charge of 29.2 cents per 100 cubic feet for all water delivered. The proposed rates would be a minimum charge of $2.10 per month plus 35 point 2 cents per 100 cubic feet for all water used.

Hearing with regard to the South San Francisco District has been set for Tuesday, November 29, in the State Building in San Francisco, also before Examiner Emerson, starting at 10 a.m. The application said that there had been no increase in rates for water service in the South San Francisco District for nearly 5 years and that the applicant's earnings have been reduced by payment of higher wages and higher prices for materials and supplies. The application said property taxes in the district had increased 85 per cent since the present rates became effective. It seeks an increase of approximately 15 per cent.

In SSF present minimum charge is $2 per month, with an additional charge of 17 and a half cents per 100 cubic feet for the first 50,000 cubic feet of water, and 15 and a half cents per 100 cubic feet for all water above 50,000 cubic feet. Under proposed rates, a minimum charge would be $2.30 per month plus 20.3 cents per 100 cubic feet for the first 50,000 cubic feet and 18 cents per 100 cubic feet for all water above 50,000 cubic feet.

Petrocchi Raps

(Continued from Page 1)

Broadmoor officers arrived on the scene.

According to Steen, Turney's speeding vehicle went out of control, spun around, causing a '59 Pontiac (ahead of Steen's car) driven by San Bruno student George Morgan Smith, 17, to veer to the right shoulder of the southbound lane. Steen's auto couldn't avoid a broadside collision with Smith's, and both cars suffered considerable damage. Meanwhile, Turney, and two later identified teenage companions, Anthony J. Sunseri, 18, of 148 Westmoor avenue, and 20-year-old Bill Williams, 198 Del Prado drive, sped north on Junipero Serra and escaped.

Sgt. David Hansen and Officer Frank Murray arrested Turney Saturday night at Mission drive-in. He was charged with reckless driving and Judge Becker fined the youth, who is assigned to the ship USS Salisbury Sound at Hunter's point, $100 in municipal court after Turney pled guilty.

Williams was booked for being drunk at Tips-Drive-In in Westlake the same night of the Junipero Serra crash. Sunseri was released after questioning.

According to Police Captain Roy Beecher and Lt. Bruno Conci, the trio in the speeding car admitted to having a few drinks and racing the car around the Westmoor High parking lot. A dance was held at Westmoor that evening.

Steen legally can appeal to the personnel board for a hearing should Petrocchi seek his dismissal.

Although Steen told the newspaper Tuesday morning that he had not been notified of his suspension by Chief Petrocchi, Capt. Roy Beecher said he asked the patrolman for his badge Monday in conference with Lt. Bruno Conci and Sgt. Dave Hansen.

"Beecher asked me if I'd like to resign," said Steen, "but I think they will have to have something more tangible to charge me with."

Steen indicated he would hire legal counsel and would fight dismissal. He maintained that he was the only officer "available in the area at the time" to stop the suspect, although Steen conceded that it was against regulations to have his wife in the patrol car during the official call."

"But this isn't anything new," Steen added. "The lieutenant and Sgt. Hansen knew I was taking my wife home in the car, and several police officers in the past have used city vehicles to go to and from their residences."

Steen noted that a recent accident involving a police car occupied by Lt. Conci and Sgt. Charles Terry showed that Terry's son was in the police car at the time. Beecher said the younger Terry was authorized to be in the police vehicle because he was a witness to a recent crime here and was accompanying the pair to identify certain suspects.

PENINSULA Ambulance stewards assist Edward Harrison, 7, after Daly City youth was injured Wednesday afternoon last week when he reportedly ran into the side of a Northgate Transit Company jitney on Skyline drive near Eaton avenue in the Palisades. Driver George Ferris (left) was not cited as the investigating officer held that the mishap was not the fault of the jitney operator. The youth was treated for a possible broken nose and multiple cuts and bruises.

assault with a deadly weapon (her car) for the Verducci episode if the fireman signs a complaint with the district attorney's office.

Boy, 7, Injured In Collision With Jitney Bus

A Northgate Transit Company jitney bus, driven by company owner George Edwin Ferris, 57, was involved in a mishap bringing head injuries to a 7-year-old Daly City boy on Skyline drive Wednesday afternoon last week.

Witnesses told Officer Dick Phillips the youngster, Edward Dean Harrison, 629 Skyline drive, was trying to cross Skyline near Eaton avenue with his boxer dog, and walked into the front door of the northbound jitney. Peninsula Ambulance was dispatched and took the boy to Junipero Serra Hospital for emergency treatment. He later was transferred to Children's Hospital.

Phillips said the victim suffered a possible broken nose and multiple cuts and bruises. The patrolman noted that the boy was not in the crosswalk and that the jitney driver apparently was not at fault. No citation was issued.

FREEWAY---

Reddy says: Let me help you save heating dollars this winter

How to stop some "heating leaks" ...and save on your winter bills!

1. Heat escapes readily through glass... you can reduce this heat loss by keeping curtain or drapes drawn.
2. Heat escapes around doors... you can stop this heat loss with weatherstripping.
3. Heat escapes through your walls and roof... you can minimize this heat loss with insulation.
4. Heat escapes up your chimney... keep your damper shut.

Reddy, your PG&E servant, works harder during the winter to keep you warm and cozy, because it's cold and days are shorter, nights longer. You're indoors more, you eat more hot meals, watch more TV. So your PG&E bills are higher during the winter. Happily, Reddy's hourly wage rates go down a sliding scale as you work him harder. So you're getting more for your dollar. Actually Reddy does the same work here for $1 that costs $1.25 elsewhere (average of 24 leading U.S. cities, California Public Utilities Commission survey).

P G & E Service is your best bargain!

County's United Crusade Funds Hit $336,876; Twice That Needed

Kermit L. Williams, campaign chairman, last week reported that the United Crusade of San Mateo County is close to the half way mark in its drive to raise $683,849 for 29 youth, health and welfare agencies.

Figures presented at the second report luncheon, held at the Hilton Inn, International Airport, showed total donations of $336,876, or 49.3 per cent of goal.

San Mateo County now ranks second in the five-county United Bay Area Crusade, led only by Alameda, which has reached 56.5 per cent of goal. Throughout the Bay Area, the Crusade reports total donations of $6,285,353 or 55.9 per cent of goal.

The second report meeting honored campaigners in the Professional division, which has reached 56.6 per cent of goal with donations of $16,274. Private Social Agencies led the four groups within the division by reporting 97.2 per cent of its goal.

The Business division showed a county-wide total of $10,883, or 27.2 per cent of goal.

The Commerce & Industry division, H. K. Pohlman, chairman, reported 61.1 per cent of goal with gifts of $192,525. During the meeting, Miss Buck-of-the-Month Club (Mrs. Helen Sanford) representing employees of the Lockheed Aircraft Corporation, Missiles and Space division, Sunnyvale, presented the United Bay Area Crusade with a total employee gift of $16,870. Of this sum, the San Mateo fund received $7053. The balance is to be distributed to the other Crusade areas.

Other divisional reports of the San Mateo Crusade showed the Government Employees at 52.1 per cent with $14,018; Education at 43.6 per cent with $13,402; Construction, at 51.2 per cent with $15,509, and Residential at 3.4 per cent with $74,267.

In the north county area, the business division has reached 40 per cent of goal with a total of $3469. The Residential division reported 6.5 per cent, or $727.

MAIL BAG

READER CITES 'EYESORE' ON EAST MOLTKE

Dear Editor:

I have noted your pictures and read your articles with great interest regarding eyesore conditions (i.e. abandoned autos, debris, etc.) that are tolerated in our city.

I am now experiencing a personal incident that leaves me no longer amazed at these conditions.

I refer to the wrecked, abandoned auto parked directly across the street from my residence at 74 East Moltke. Three weeks I waited for the owner to reclaim or move this auto. I reported it to the police on October 22, 1960. A prowl car was seen investigating the following day, but the car is still there and probably will be for some time to come.

I am a former police officer of 13 years service and I know that the police are not without authority to impound illegally parked or abandoned automobiles. The question is, "WHY DON'T THEY DO SO ? ? ?

Earl S. Morehouse
Sincerely,
74 E. Moltke Street
Daly City

Committee Named To Help Nominate Trustee In Brisbane

Completion of a Citizens' Nominating Committee to suggest names from which an appointment may be made to fill the vacancy on the Brisbane School District board of trustees was reported today by County School Superintendent James R. Tormey.

The committee will include Mrs. Ruby Gylfe, 460 Mendocino, who will act as committee chairman; Jack Grabovsky, 38 Tulare; Stowe Webber, 130 Visitacion avenue; and two members of the school board —Michael G. Nagy and Mrs. Ellen I. Bhend, all of Brisbane.

The vacancy was created by the recent resignation of Curtis H. Richards Jr. The new trustee will be appointed to serve until June 30, 1961.

Special Classes At Westmoor

Westmoor teachers are offering extra instruction to students who are having problems in class and who could benefit from extra help.

Additional work after school is informal and instruction is given on a small group or individual basis. Students may request help and time will be provided after school for this purpose. Teachers are also, in some cases, recommending that students come for special help.

Westmoor teachers in the varous departments conduct these special classes on the following days: Monday — Social Studies and Business; Tuesday —English and Language; Wednesday — Math and Science; Thursday — Industrial Education, Art and Homemaking.

Parents may make appointments with teachers or counselors at any time between the hours of 7:30 a.m. and 12:30 p.m. to discuss the progress of their child in regular classes or in these special instruction sessions. Westmoor High School's phone number is PLaza 6-3434.

BEST in the match distinction at recent Westlake Kennel Club dog show at Marchbanks Park went to R. L. Burris and his Kerryblue Terrier. Making the presentation is Judge Gloria Moulton of Project City, California.

Polio Day Here For 'Everyone'

It's never too late to get polio shots — first time or renewals.

Broadmoor Legionnaires this Saturday will again offer polio injections at Benjamin Franklin School, 700 Stewart avenue, from 9 a.m. to 4 o'clock. No reservations are necessary.

First, second, third and "booster" shots will be available. Only fee is $1.

Dick Napoletano, commander of Post 824, expects "our biggest turnout this Saturday."

All Daly City area adults and children are encouraged to take advantage of this "protective" opportunity.

Chamber's Yearly Installation Is Saturday Night

Seven p.m. is the starting time for Daly City Chamber of Commerce's annual installation banquet this Saturday at Westlake Bowl's banquet room.

Frank Martorana will take over as new president, succeeding bank manager Louis Pisani, and Mission street merchant Frank Curry will be installed as new vice president. PG&E's Joe Rohl retains his job as secretary, and William Sweeney Jr. again is treasurer.

Editor Harold P. Bradshaw of Marchbanks Publications will join the Chamber's board of directors.

Installation speaker will be Congressman J. Arthur Younger who will cite the major issues of the last session of Congress.

Liquor Licenses Return $10,051 To DC Treasury

Residents of Daly City are probably unaware of the fact that the annual license fees paid by the beer taverns and package store owners to the State Board of Equalization are returned to the local treasury.

These comparatively large sums of money are used for the many branches of services offered by our local government.

For the six - month period ending February 29, 1960, Daly City received $10,051 in return license fees from the department of Alcholic Beverage Control. San Mateo County as a whole received $155,854.

A package store beer and wine license costs the owner $31 per year, while a general tavern license costs $6,000. A beer and wine only tavern license costs $163 per year.

Local government throughout the state as a whole received $3,992,835.39 from the state during the six-month period.

KOREA VETERAN MAKES INQUIRY ON INSURANCE

Q—I am a Korea veteran, insured under VA's new-type low-cost term insurance, which cannot be renewed after my 50th birthday. Does this also mean age 50 is my deadline for converting my term insurance to one of VA's permanent plans?

A—Not necessarily. You cannot renew your term policy after age fifty. However, if you renew in the five year period which includes your fiffieth birthday you can convert during that time. As an example, if you renewed for five years at age 48, you could convert to a permanent plan any time up to age 53.

Q—VA is not currently sending me my monthly GI insurance premium-due notices because I have an application for the disability rider pending. Until I get back to paying by the premium - due cards, what kind of information should I send VA when I pay my premiums?

A—Give name in full, and the number of your policy. Include also the letter or letters before the policy number. Depending on whether you are a World War One, World War Two or Korea veteran, the letter prefix will be V, K, RH or RS. Give both the number and letter prefix. This will speed crediting your account with your payment.

Q—Is it possible to attend school less than half-time under the War Orphans Education program?

A—No. War Orphans payments may not be made to a student attending school less than half-time.

Q—Is every disabled Korea veteran entitled to special vocational rehabilitation training?

A—No. This training is available only to disabled veterans who need it to overcome the handicap of their service-connected disabilities. However, those who don't need vocational rehabilitation training may be eligible for Korean GI Bill training.

North County Leading In Crusade Drive

Guido Rozzi, north county area chairman for the business division of the United Crusade of San Mateo County, reports that the north county area leads the county-wide division in percentage of goal collected to date.

Although the area leads the other two areas in the county-wide division, local districts lag behind others in the individual drives.

Volunteers from the North San Mateo County Council of Girl Scouts are conducting the Crusade's business drive in San Bruno. The district ranked fourth in the county by reaching 46.8 per cent of goal at the second report luncheon. Mrs. M. Everhart is chairman.

In Daly City-Colma, a group of businessmen headed by Paul Hupf, have attained 45.3 per cent of goal, ranking fifth in the county.

Business areas in Pacifica are being solicited by volunteers from the Boy Scouts, with Dan Cozzi as chairman. To date, the district's campaign has reached 42.6 per cent of goal.

In South San Francisco, a group of local businessmen have been organized by John McManus and have reached 29.3 per cent of the business district's goal.

Rozzi asked that all volunteers turn in any funds collected to date so that they may be reported at the next Crusade luncheon.

Halloween Contest Winners Announced

Almost 1000 youngsters paraded in Westlake Improvement Association's tenth annual Halloween costume competition Monday night at Westlake Shopping Center.

President Emory Schoolcraft announced the following first place prize winners:

Three years and under—Cynthia Bergstrom, 286 Higate drive; 4 to 6—covered wagon sister trio (Lynn, Jean and Sue Cady), 408 Westmoor avenue; Buddy Johnson, 101 Sierra Point road, Brisbane. 7 to 9—Carole Pallviny, 626 12th avenue, San Francisco. 10 to 12—Helen Lichtman, 15 Westhaven drive, and Michael Egense, 4 Northridge drive.

Judges were Mrs. Helen Cordell, art coordinator for Jefferson Elementary School District; Penney's manager Don Davis, Miss Daly City (Bonnie Robin), and Examiner sportswriter Bob Brachman.

Westlake Association Meets Next Monday

Westlake Subdivisions Improvement Association will hold is regular monthly meeting next Monday evening, November 7, at 8 p.m. in the clubhouse at 95 South Mayfair avenue. All Westlake homeowners are welcome.

Chairman Emory Schoolcraft said the agenda will include appointment of a committee to nominate directors for the December 5 annual meeting and election of new officers.

Local Teeners 'Well - Behaved' On Halloween

Three Halloween dances sponsored by the Department of Recreation attracted over 1000 well-behaved Daly City youngsters last Friday and Monday evenings.

On Friday, dances were held for the seventh and eigth graders at Colma and Benjamin Franklin schools. Both groups used multi-purpose rooms for their activities. Colma School was extremely well decorated and many nice comments were heard from the 325 who attended.

Benjamin Franklin's Mike Vullo was master of ceremonies. Four hundred and twenty danced to records at Ben Franklin. Ben Franklin PTA who served refreshments.

Tom Pollicita, Director of Physical Education at Colma School, and John Belforte, Vice-Principal at Ben Franklin, were extremely pleased with the behavior of these youths. Each facility had no "mischievous" doings to report.

On Monday evening, 283 teenagers attended the Hi - Fi Teen Club's Halloween Hoedown. Once again a compliment must be given to the youth for their fine behavior. Pamela Button, "doll," and Ron Rivera, "monster," won the costume awards—$10 gift certificates from Roos-Atkins.

Got A Slogan For DC's 50th Birthday Event?

At press time this week there were 48 entries in Daly City's Golden Anniversary "Slogan Contest."

More entries are needed, and the fortunate winner gets a $50 U.S. Savings Bond. All you need do is write a significant and catchy slogan for the May 13-20 celebration next year which will mark Daly City's 50th year as a municipality.

Address those entries to "Contest, City Hall, 75 Wellington avenue, Daly City."

The final deadline is Friday midnight, November 18.

AROUND TOWN

By ROY HURLBERT

MARY'S HELP Hospital it's true, is experiencing difficulty obtaining clear title to certain parcels in its 7½-acre site here.

Hospital officials insist the transfer from San Francisco "will" be made, although Hugh Smith Jr. and his brother, George, have indicated sale of the property may be "off."

The hospital site money, some $265,000, has been placed in escrow, and it may take some time before the complications are ironed out.

PACIFICA will have one whale of a celebration this Saturday to mark its third birthday.

Daly City, 50 years old next year, could have a corker of a celebration May 13-20, if more individuals and groups help the golden anniversary planning committee.

Success of this shindig (parade, grand ball, queen contest, concerts, golf and bowling tournaments, et cetera) depends on public participation.

Response for the celebration thus far has been lukewarm. The big birthday party either will be very successful or merely mediocre.

DALY CITY was incorporated on Saturday, March 18, 1911, by the slimmest of margins, 138 "yes" to 136 "against."

It's first governing body was called the Board of Trustees, headed by Mayor Edward Freyer, with Al J. Green, Martin Oberhaus, Thomas J. Mullins, and Dennis Quillinan.

There were 27 candidates for Daly City's first "council." This is quite a number compared to the "three" candidates for two city council openings this year. How many will there be in '62?

NEVER fear, the Citizens Committee for Good Government still is here. Dislocated by the new Air Force recruit office, the CCFGG group has rented the office next door, adjoining the Daly City Cigar Store, corner of Bepler-Mission.

BIG FRANK Specht, head of DC's Fire Prevention Bureau, always has that extra twinkle when he conducts Fire Prevention Week poster competition for public and parochial schoolers.

Specht and school district officials were amazed at the special entry of a blind student from Woodrow Wilson School. It warmed their hearts so much and was so unique that the little lady got a special prize.

PARKS superintendent Augie Conci started planting Washingtonia palm trees on the Mission center strip this week. Augie is no green thumb. He did a splendid job on the main library landscaping. The latter saved the city dough that ordinarily would have gone to an outside firm.

COUNCILMAN Joe Verducci told Bay Area sportswriters Monday that his San Francisco State football team has utilized the same airline that was involved in the tragic crash that took the lives of 16 Cal Poly gridders.

SF State plays a "minor league" football schedule and can't afford more than two-propeller transportation — like so many other "play for fun" institutions.

POLICE CHIEF Roland Petrocchi at the podium:

"Our soon expected radar speedmeters will be used for the safety of the citizens of Daly City and to improve traffic conditions. HOWEVER, the radar devices are not a 'cure all' and the police department is requesting the assistance of and cooperation of all the people of Daly City to drive carefully and to obey all traffic laws."

Radar depends on its psychological effect. But tickets issued via radar checks usually hold up pretty well in court.

RUSH of deadlines caused unfortunate omission of the names of the two police officers who investigated that recent 12-car pileup on Edgemar freeway near Westlake Terrace.

Patrolmen Ed "Buzz" Beecher and John (Daddy for a fourth time last Thursday) Coleman deserved mention for their role in easing the freeway entanglements. Both vets had to be brave souls in that fog-jam.

Also, Officer David Johnstone, desk-dispatching in place of vacationing Jim Welsh, wants everyone to know that Sergeant Jack Walsh is more than the best fingerprint and photo man in Daly City's department. According to Dave, Walsh is "the" fingerprint expert and "the" principal photo man on the force. And, Johnstone adds, Walsh is as good in both specialties as any police official in the Bay Area.

Unquote and so be it.

EXCEPT for some heated differences of opinion on the status of senior civil engineer and civil engineer, Monday night's city council session included mostly routine items—yet the council deliberated four long hours.

They started in study session at 7:30, went before the customers about 8:25, and quit at the stroke of 11:30.

Fire Chief Elmer Kennedy "adjourned" early. He hopped out of the study session about 8 when the fire horn shook the rafters. It was a short blaze in a Wyandotte avenue residence. Elmer responded in his civilian clothes—suit and tie.

The guy must act by reflex.

NO SMALL potatoes, the money from the state for school construction. San Mateo County schools this school year will get a total of $16 million in state aid. The figure is $599 million for all of California.

These funds (going to 58 counties) range from a low of $14,000 for Alpine County to $199 million for Los Angeles County.

Steel 'Safety Nets' Safeguard Traffic On Bayshore Freeway

California's newest idea in highway center strip safety barriers is being put to use on the Candlestick cutoff section of Bayshore Freeway.

A combination of wire rope cables and chain link fencing being installed by U.S. Steel crews will provide a steel "safety net" to snare accident-bound autos.

The new Cyclone Fence barrier will make the highways safer for everyone, state highway officials believe. Here's why:

1. The trapping action of the barrier is designed to virtually eliminate the possibility of head-on collisions.

2. It will minimize the bouncing back of autos into the high-speed traffic lanes in which they were traveling before they hit the divider.

3. The cable and fence will bring the offending vehicle to a less abrupt stop, with less chance of injury to the occupants.

Almost 14,000 feet of the "safety net" barrier will be installed on the Candlestick cutoff, gateway to San Francisco for Peninsula traffic. The new type of median protection was designed and developed by the California Division of Highways. The combination of cable-chain link barrier followed extensive full-scale dynamic tests with 15 types of barriers.

SPECIAL award by Battalion Chief Frank Specht of the Daly City Fire Department goes to Susan Kane (center), a blind fourth grade pupil at Woodrow Wilson School, for her fire prevention poster. First place was awarded to Christine Kennedy (left), also of the fourth grade at the same school. This is a repeat performance for Christine, for she took first place at the third grade level in Daly City last year. Susan Kane is the daughter of Mr. and Mrs. George R. Kane, 2112 Broadway avenue, Burlingame, and has been attending Woodrow Wilson for the past four years. She is enrolled much of her day in regular classes with sighted children but uses braille as she works along with her classmates. There are nine other visually handicapped children from Northern San Mateo County in this special class taught by Mrs. Hortense Sundman. Susan's fire prevention poster was made of popsicle sticks to represent the outline of a house, a pipe cleaner for a man, paper cutout for a door and bright red pieces of yarn to depict flames shooting up through the structure.

David Willey photo

SPORTSMANSHIP and good citizenship were stressed by Joe Verducci, Daly City Councilman and San Francisco State College Athletic Dircetor when he spoke to 4th, 5th and 6th grade boys at Westlake School. Verducci told the boys that good classroom behavior as well as proper diet and good sportsmanship also aid the athlete in making the grade. David Willey photo

ALL DENOMINATIONS

Westlake Baptist Church Hosts Special Meets For 'Older' Folks

Stressing the thought that it is possible to keep young although advanced in years, and giving an opportunity to Westlake's older age residents to get acquainted and enjoy a social time, Westlake Community Baptist Church is arranging a series of weekly meetings for the benefit of these persons, to be held every Wednesday from 10:30 a.m. until 3:30 p.m. in the (basement) social room of the church, located on the corner of Elmwood and Southgate just one block west of Westlake's new public library.

These affairs will be entirely informal. Everyone is asked to bring a "snack" lunch and coffee and tea will be provided. Opportunities for such activities as trips, hand crafts, gardening, community singing, discussion groups, Bible study, visiting, sharing hobbies and games will be offered.

The meetings will be open to all residents in the upper age brackets, regardless of their denominational preferences. It is hoped to make the enterprise a community affair.

The first of these meetings is scheduled for Wednesday, November 16, and a good attendance is expected. Mrs. Alyce Madsen will be the hostess for the gatherings, but the members of the group will be urged to assist in suggestions for entertainment at the future get-togethers. For further information contact Mrs. Madsen at PLaza 5-2630.

University Of Calif. Law School Prepares Study On Red China

The University of California Law School (Boalt Hall)) on the Berkeley campus will launch a four-year study of the law and government of Communist China.

The study will be financed through a $40,000 grant from the Rockefeller Foundation to provide specialized training of a faculty member, Jerome A. Cohen, Associate Professor of Law, who will initiate the program, in conjunction with the University's Center for Chinese Studies.

Professor Cohen will undergo an intensive study of the Chinese language and culture. Following this, he will specialize in the study of Chinese law, part of this time in Asia.

Boalt Hall is the first law school in the United States to engage in such a program. At present, there is no expert on Chinese legal institutions on any U.S. law faculty.

"CAN'T a man shoot his wife without being dragged into court?" Carol Knight of Burlingame, Tom Petrone of San Francisco, Fran MacLean of Redwood City, Del DuBois of Pacifica, and Don Christensen of Westlake are pictured in "Drink To Me Only." The Mainliner Theatre Guild production to be presented November 5, 11, 12, 18 and 19 at the Veterans' Memorial Auditorium, Redwood City.

Knights Score 'First' On Chamber Sign

The "Welcome to Daly City" sign erected by the Daly City Chamber of Commerce and the space provided for various civic and fraternal organizations in Daly City to place their emblems with time and place of meetings has gained a Bay Area "First."

Marian Council Knights of Columbus proudly displays the emblem of the Order with other civic and fraternal organizations and is the first council in the Bay Area to place such a sign. It has been noted also that Marian Council is one of few councils in the state to have sich a sign on display.

Dudley F. Sullivan, Faithful Navigator of Fra Crespi General Assembly Fourth Degree, Past Grand Knight and Catholic Activities Chairman for Marian Council, proposed the plan of having such a sign erected to the Council under the term of Charles Vance, Junior Past Grand Knight. Sullivan announced its completion under the term of current Grand Knight Charles Poetzl.

Daly City-Sponsored Gemstone & Jewelry Class Begins Monday

Monday evening, November 7, will mark the beginning of Daly City Department of Recreation's Gemstone-Jewelry class.

"Rockhounds" will be able to gain experience and knowledge in recognizing different types of rocks. Field trips to nearby areas will be planned.

L. Gene Myers plans earrings and cufflinks as his first class jewelry project. For further information, call the Department of Recreation, PL 5-0850, Ext. 18.

Tweedie Names Mike Orlich To Local Committee

Rev. Herbert C. Tweedie, chairman of The Salvation Army Service Unit of Daly City, today announced the appointment of Michael Orlich as an active member of the unit.

Orlich, a native of Minnesota, has been living in California since 1941 and has been basketball coach and athletic director at Jefferson High School since 1947. Orlich is also recreational director for the Garden Village P.T.A. and a member of the County Recreation Commission. He is married and the father of 3 boys.

As a member of The Salvation Army Service Unit of Daly City, Orlich will work with other members of the committee (all work on a volunteer basis) to bring to the people of Daly City the many services offered by The Salvation Army.

FOR THE PEOPLE OF NORTH SAN MATEO COUNTY . .

BOB HARDGROVE is the ONLY ASSEMBLY CANDIDATE who has a positive legislative program

HARDGROVE
For Tax Savings

Increased State aid to junior colleges will save money by providing the same education as State Colleges at much lower costs; and will pass the State savings on to local property owners.

Students: More Education for Less Money

HARDGROVE
For Broader Tax Base

Proper commercial-industrial development to ease the tax burden on home owners can be encouraged by empowering local governments to review proposed subdivisions as to their effects on the tax base.

Homes: Too Big a Tax Load

HARDGROVE
For Increased Productivity

Automation results in higher productivity, lower costs, lower prices, higher earnings and more leisure time. By providing for the re-training of workmen displaced by automation, we can increase production and add to the tax base.

Industry: Ready for Higher Skills

HARDGROVE
For Recreation

Crystal Springs Lakes and watershed can be opened to carefully controlled family recreation, saving this beautiful natural wilderness and forestalling other development that would destroy it. North County ocean beaches and Bay shores must be preserved and developed.

Crystal Springs: Natural Beauty to Keep

HARDGROVE
For Highways

Aggressive action must be taken to build needed highways in the neglected North County, particularly connections between communities of the Coast and Bay sides. Strong representation that can get action in Sacramento is an urgent necessity.

Country Roads: No Longer Adequate

Hardgrove's Opponent

Here is how the San Francisco Chronicle (Dec. 20, 1959) described the incumbent:

He "appears to have mastered the technique of alienating his colleagues in the State Assembly."

His attitude "was arrogant and self serving . . . his main interest in this matter (a book censorship bill) is the publicity attendant thereto."

"The San Matean was trying to 'use' an admittedly explosive issue."

"Legislators of both parties . . . feel that Francis may well be expendable in legislative halls. Republican as well as Democratic leaders are looking around for strong candidates to oppose the 25th District Assemblyman."

Hardgrove's Experience

Bob Hardgrove understands the needs and problems of the district.

Editor of The Advance-Star for five years, after seven years as reporter, feature writer and city editor. Public relations consultant to industry for two years, making special technical research studies in the fields of water supply, area planning, water pollution, sewerage, refuse disposal, and the recreational use of waterways.

Bob Hardgrove has the legislative "know how" to get action in Sacramento:

Consultant to the State Senate Interim Committee on Proposed Water Projects (Teale Committee) on preparation of its report to the 1959 Legislature on California Water Resources Development Proposals.

ROBT. HARDGROVE | Democrat | X

This advertisement sponsored by Hardgrove for Assembly Committee
John A. Putkey, North County Chairman, 7375 Mission Street, Daly City.

'Teaching Machine' May Radically Change America's School System

A quiet revolution is underway in the United States which in a few years may radically change our traditional teaching methods, grading systems and classroom layout.

The main weapon of this revolution is the teaching machine, a kind of automated tutor, which was blueprinted 30 years ago but whose full potentialities are only now being widely recognized.

Reports on developments in this field, widely scattered so far, have been brought together and analyzed by two education psychologists, Arthur A. Lumsdaine of the University of California, Los Angeles, and Robert Glaser of the University of Pittsburgh, in their book "Teaching Machines and Programmed Learning."

Teaching machines, which frequently resemble a cross between a small TV set and a pinball machine, may cost from $20 to several hundred dollars, but the machine itself is only the outer frame. The inner works is the program, the carefully-sequenced instructional material which makes up a lesson or course.

Will the machines dehumanize schools and turn the classroom into a mechanical assembly line, as some critics fear?

Just the opposite, says Lumsdaine. The machine will serve as a personal tutor for each student in three main ways.

(1) The machine demands answers all the time, keeping the student constantly alert and busy.

(2) Like a good tutor, the machine insists that the student understand each point completely, before passing on to the next question. As a by-product, cheating can be eliminated.

(3) The student learns at his own rate of understanding, the brighter student faster, the average pupil more slowly but without getting discouraged.

'Martin Luther' Film Showing Sunday Evening

"Martin Luther," a feature-length motion picture produced by Louis deRochmont, will be shown to the public this Sunday at 7 p.m. at Seacliff Community Church, 50 Northridge drive, Daly City. This is the same movie that enjoyed a long and popular response to its showings in the public theaters of the nation about three years ago.

Based upon the actual events of history surrounding the period of the Dark Ages, and the emergence of the Protestant Reformation movement in 1516, the film has become known as a classic in its field. Major press releases at the time of the public theater showings described it as "a magnificent motion picture for our time."

Pastor Clark Robb announced that the showing of the film is open to the public free of charge. And, in order that people of all faiths may feel at liberty to attend, the pastor has emphasized that "there will be no worship service — only the showing of the film. Two neighboring congregations have announced plans to attend.

'Moon' Residents Might Have To Travel 'Often'

Future colonists on the moon may have to return to earth to bear normal young unless expectant mothers can be assured of a steady supply of oxygen comparable to that found on earth.

Experiments by two physiologists at the University of California, Berkeley, showed recently that the minimum oxygen needed for survival will probably not be enough for producing normal young.

Bernard Baird and Sherburne F. Cook told a meeting of the American Heart Association that a significant number of inborn heart defects occur among mice born after their mothers have been exposed to an oxygen-poor atmosphere.

Although the mice were given enough oxygen to survive comfortably, the amounts provided proved inadequate for normal reproduction.

In one experiment, Baird said, pregnant mice exposed only six hours a day to the oxygen-poor atmosphere of altitudes of 20,000 feet produced 99 young among which 12 malformations of the cardiovascular system were detected. No defects were observed among 391 young bred at sea level.

The researchers reported that mice exposed the longest to the highest altitudes produced the greatest number of defective progeny.

Vista Grande Church Invites Public To Forum On Election

Young Adult School of Vista Grande Avenue Christian Church, 101 Vista Grande avenue, Daly City, invites the public to a discussion on the issues and candidates for the U.S. presidency this Sunday evening at 7:30 o'clock in the fireside room of the church.

The Rev. Hillis Davidson urges heavy attendanc and full audience participation.

Lethal radiation fallout occurred nearly 200 miles from the center of the first Pacific nuclear explosion tests.

Holiday Wardrobe Classes Offered By Adult School

Christmas is less than two months away and it is not too late to start planning and creating your Christmas wardrobe for yourself and children. Currently in progress are several sewing classes offered by the Jefferson Adult Evening School. The instruction in all classes is on both group and individual basis.

This is a fine opportunity not only to make new clothes, but to alter or remodel those already on hand. A class is held each Monday 9 to 12 a.m. and from 1 to 4 p.m. at the War Memorial Community Center in Daly City. Classes are also held at Jefferson High School on Wednesday and Thursday evenings from 7 to 9:45 and at Westmoor High School, Monday through Thursdays from 7 to 9:45 p.m. Everyone is welcome—from the beginner to the expert seamstress.

Local Insurance Man Is Honored

Peter Frankel, 5 Coronado, Daly City, has qualified as a member of the 1959-60 Top Club of the New York Life Insurance Company, according to Dudley S. Bates, regional vice president in San Francisco.

Membership in the Top Club is based on outstanding 1959-60 sales records and is composed of the most successful agents among a field force of more than 6000 full-time agents in 236 general offices in the United States and Canada.

Bates said that Frankel, as a member of the Top Club, qualified to attend last week's educational conference in Los Angeles.

'Emotionally Handicapped' Workshop Held

Special workshop for 17th District Congress of Parents and Teachers on Child Health stressing "The Emotionally Handicapped Child and The School" was held last week at the CTA Building in San Mateo.

The program featured a panel of experts consisting of Dr. Phyllis Van Vleet, health and welfare coomdinator; Dr. Jack Downing, mental health consultant; Dr. Betty Van Dalson, Sequoia High School District; Ian Hutcheon, prevention of mental illness, John Gill School, and Dr. Eli M. Bower, deputy director, Department of Mental Hygiene.

The subjects of personality and behavior disorders in children, child guidance, treatment and rehabilitation were topics of discussion by the panel. It was pointed out that the problems involved in the prevention of mental illness may be quite varied and should be thoroughly evaluated. Thirteen school districts in San Mateo County have been participating in a state-wide research program, which has proved highly successful. However, full cooperation from the interested parents, the school, community, and the church working in harmony will go far to accomplish the ultimate goal.

Seventeenth District PTA was well represented at the Child-Health Workshop. Those present included President Mrs. Foriest Cuningham; Vice President Mrs. L. E. Engleman; Mrs. R. N. Cloud, coordinating counselor; Dr. Richard Harkness, school consultant; Mrs. A. J. Huelse, historian; Mrs. L. H. Prager, recording secretary; Mrs. David R. Sears, director of organization; Mrs. Samuel Stein, publicity; Mrs. Thomas West, child and public health; Mrs. Joel Yager, director of secondary schools, and Mrs. James T. Yamakoshi, director of communications.

Westlake Marine Ends 'Boot' Stint

Marine Pvt. Alexander E. Buick, son of Mr. and Mrs. A. E. Buick of 190 Loncoln avenue, Daly City, completed recruit training October 20 at the Marine Corps Recruit Depot in San Diego.

The 11-week course included instruction in all basic military subjects and infantry weapons.

Temple Judea Dinner Dance

Temple Judea will present a dinner dance on Saturday evening, November 12, at 7:30 p.m. in the Nob Hill Room of the Fairmont Hotel. Reservations are limited. Arrangements to attend may be made by calling Mrs. Sidney Charlip, PL 5-0577, or the Temple office, PL 5-6362.

"A Catholic in the White House" — sermon that was to have been delivered on October 21 and was postponed because of Rabbi Robert W. Shapiro's illness, will be delivered this Friday evening, November 4, at 8:30 p.m. in Westlake Community Baptist Church, Southgate and Elmwood streets, Westlake. A Temple forum will take place following the service at which time the sermon topic will be discussed.

Sisterhood of Temple Judea will present a Chapeaux Et Champagne Luncheon on Wednesday, November 16, at 11:45 a.m. at the Red Chimney in Stonestown. TWA has flown in a dashing array of chapeaux creations by leading milliners around the world. Sisterhood members who will model the chapeaux are the Mesdames: Donald Bradlor, Arnold Beinner, Sidney Charlip, Clifford Glicksman, Bernard Kolmeister, Max Rudorfer, Myron Smith, and Louis Aronoff. For tickets and reservations, please phone Mrs. Harry Minkin, PL 5-7020, Mrs. Herbert Wiener, PL 5-9144, or the Temple office, PL 5-6362. The next regular meeting of Sisterhood will be a dessert luncheon on Tuesday, November 8 at noon, in the Temple House, 95 South Mayfair, Westlake. Rabbi Shapiro will review the play entitled, "The Best Man." Members and friends are invited to attend.

Rabbi Shapiro will continue his series of Adult Education lectures and discussions this Wednesday evening, November 2 at 8 p.m., in the Temple House in Westlake, 95 South Mayfair. Theme of the series is Reform Judaism — development, theology, philosophy, and where it differs from Orthodox, Conservative, and the future. The next gathering of the discussion group will take place the following Wednesday, November 9, at the same time and place.

PTA PROGRAM

Would You Panic During An Emergency?

Would you panic in an emergency? You can prepare yourself by attending the Wednesday, November 9, meeting of Vista Mar PTA at 8 p.m. An educational film, "Mouth to Mouth Resuscitation" will be shown.

A second film, "It's Wonderful to be a Girl," will be presented by the school nurse, Miss Sheila Byrne, and will be followed by a question and answer period.

This is your opportunity to enjoy an interesting informative program, meet your Vista Mar staff and chat with old friends and new over a cup of coffee. Kindergarten mothers will be hostesses.

A room mothers orientation meeting was held October 13 at Vista Mar. Responsibilities and duties of a room mother were outlined and dates scheduled for the PTA fund-raising orange-juice bar sales.

Mrs. Eve Galway, Civil Defense chairman, announces that Vista Mar PTA is sponsoring a first aid course conducted by the Daly City Fire Department. Classes began October 24 and are meeting from 7:30-9:30 p.m. at the firehouse on the corner of Roosevelt and Peoria streets in Daly City each Monday night. The classes are still open to anyone wishing to attend.

Questions And Answers Explain Social Security Law Amendments

San Francisco District Office of the Social Security Administration today offered these questions and answers which explain recent amendments to Social Security provisions:

Q—What were the major changes in the 1960 Amendments in the old-age, survivors, and disability provisions of the Social Security Act?

A—Disability benefits can now be paid at any age; amount of social security credit required to get benefits was reduced about one-third; most beneficiaries can earn more after 1960 and still get some benefits; survivors of insured workers who died before 1/1/40 and after 3/31/38 may now receive monthly benefits; some children of deceased parents will have their benefit amounts raised; dependent widowers of women who died before September 1950 may now get benefits; parents who work for sons or daughters (except household or non-business work) may get social security credits beginning in 1961; clergymen who failed to file waiver for social security credits may do so any time before 415/62.

Q—What does the removal of the age 50 requirement for disability benefits mean?

A—It means that a disabled person who has five years of social security credits out of the ten years before becoming disabled may be paid his social security benefits regardless of his age. His minor children and qualified wife may also be paid benefits based on his earnings record.

Q—I had my social security record frozen under the old disability freeze provisions. What should I do now?

A—If you do not receive a letter from your social security office by October 31, asking you to file your claim for monthly benefits, then contact that office for information about applying for cash benefits.

Q—When do disability benefits for people under 50 begin?

A—The first checks will be for November 1960.

Q—What change was made in the amount a social security beneficiary may earn and keep all his social security checks for a year?

A—A person earning over $1200 per year still have some deductions made from his benefits. However, instead of making the deductions by holding up entire checks for one to twelve months of the year, $1 will be held out for each $2 of earnings between $1200 and $1500 in the year, and $1 for each $1 of earnings over $1500. For example, if a husband and wife are getting $150 per month, they will still get at least $650 in benefits even if the husband earns $2500 in the year. For full details as to how much you may earn and still get some benefits, write your social security district office. All beneficiaries will still get a full month's benefits for any month in which earnings are less than $100, no matter how high the annual total. The social security office at 761 South Van Ness Avenue, San Francisco, serves residents of Colma, Daly City, and Pacifica.

Child Behavior Adult Education Class Announced

A new adult education series on child behavior, entitled Parenthood - Challenge And Response, will be offered by the Jefferson Union High School District in co-operation with the North Coast Community Council and the Y Wives Club of Pacifica, on Wednesday nights at the Vallemar School, from 8 to 10.

This course, instructed by Bernard McIntosh, psychologist for the Laguna Salada School District, will be held for eight weeks and enrollment is limited and may be obtained at the door or by calling Mrs. Jack Myers at the Welfare Referral Service, FLanders 5-4151.

Scout Recognition Dinner Scheduled At United Air Lines

The San Mateo County Northern District Scout recognition dinner will be held Tuesday evening, November 15, commencing at 7 p.m. at the United Air Lines Maintenance Base, foot of San Bruno boulevard.

Tickets may be obtained from Pack, Troop or Explorer committee chairmen for the sum of $2.35 per person. A prize for the most unusual garb worn (1910-1960) will be awarded as a highlight of the 50th anniversary of Scouting.

Fall Bazaar Will Benefit Salvation Army

The Home League of the Mission Corps Salvation Army will hold its annual fall bazaar and luncheon on Monday, November 7. The doors will open at 11 a.m. and will close at 7 p.m. Luncheon will be served throughout the day.

The bazaar will feature articles made by the ladies of the Home League. They donate their time and supplies all year toward this one event. Articles such as dolls, dish towels, pillow cases, doilies, aprons and all sorts of handmade fancywork will be the main attractions. There will be other booths featuring homemade candy, cookies, pies and numerous other foods.

The Home League donates the profits of this sale to the Salvation Army where this bazaar will take place. The address is 1156 Valencia street, San Francisco, between 22nd and 23rd streets.

Mrs. Virgil Miller and Mrs. William Miller have planned this affair and have been assisted by all the other ladies of the Home League. They invite one and all to come and have a grand time.

Mosaics Classes At Westmoor High

Two Mosaics classes are currently in session at Westmoor High School on Monday and Wednesday evenings as adult students work on their projects in anticipation of the holidays.

With mosaic tile for home, garden and patio use becoming more and more popular, have you considered the possibilities of using these objects for gift giving? Robert Orth, instructor at Westmoor, provides help to those who wish to make murals, patio table tops, ashtrays, bird baths and many other items. Some other materials used in those projects beside mosaic tile is, pebbles, clay, shells and magnesite. Instruction will cover designing, cutting, assembly of materials and proper use of tiles. The class meets from 7 to 10 p.m. and is one of many offerings of the Jefferson Adult Evening School. For other classes call PLaza 5-1162.

NEW "BEAUTY MARK"
THE SPECTACULAR AND UNIQUE
WESTLAKE FOUNTAIN

Which will be formally put into operation
FRIDAY NIGHT, NOV. 4, 8 P.M.

This beautiful $10,000 mosaic fountain, with its pool and spectacular illuminations, will make your visits to Westlake Shopping Center memorable.

Come to Westlake this Friday evening and see it as it is turned on for the first time . . . and while you're there, visit the 1961 Auto Show, on display in the shopping court until 9:00 p.m.

Catholic Daughters To Celebrate Annual Memorial Mass, Communion

The third annual statewide Memorial Mass and Communion of the Catholic Daughters of America will be celebrated this Sunday, November 6, at 9 a.m. Throughout the state, Catholic Daughters of America will offer the Mass for deceased members.

Mrs. Arthur Dikas, Grand Regent, and officers and members of Court St. Mary No. 1155 will attend the Mass in the San Francisco Archdiocese to be celebrated by Bishop Hugh H. Donohoe, V.G., at St. Mary's Cathedral, San Francisco.

A colorful display is presented when the line of march proceeds into the Cathedral, as this is the only occasion for which the respective official, and colorful, robes are worn in public.

The Junior Catholic Daughters of America will be present in their green and white uniforms, green berets, and white gloves. They will act as color guards and lead the line of march into the Cathedral and then form a honor guard for the seniors.

Following the Mass, breakfast will be served at the Jack Tar Hotel.

Father Michael D. O'Brien, director of St. Joseph's Center for the Deaf and Hard of Hearing, Oakland, will be guest speaker.

Mrs. Fred Wettstein, Vice State Regent, is general chairman. Reservations chairman is Mrs. Joseph Sherry, state chairman of Share the Faith.

A big turkey whist will be given by Court St. Mary on Thursday, November 17, at 8:30 p.m. at Our Lady of Perpetual Help Hall, 80 Wellington avenue, Daly City. The public is invited to attend. Proceeds will supplement the Court treasury.

'Functions Of Your Parish' Speaker Told

The regular monthly meeting of the Mothers' Club of St. Cecilia's School will be held on Monday, November 7, at 8 p.m. in the lower church.

Monsignor Harold E. Collins will be the guest speaker and his topic will be "Functions of Your Parish."

The seventh grade mothers will be hostesses for the evening, and particularly honored will be the room mothers, eye screening, library and telephone committees. Special chairmen for the evening will be Mrs. John Walsh, Mrs. Thomas (Kay) O'toole, Mrs. Harold Eagleson and Mrs. Alfred Silvestri.

Monthly donations are made by the Court for the support of BrotherAndre of the Trinity Missions and to the Alemany Senior Center of San Francisco.

ALL EYES are on theme girl Pat Kenner of San Bruno as the benefit bowling tournament for Bay Area Lions Clubs' Eye Foundation gets under way at King's Bowl in Millbrae. Foundation President Joseph Giuffre of Daly City (right), chairman of the tournament Clyde Rogers, and Foundation trustee Leonardo Bacci of the Park-Presidio Lions Club discuss plans for the tournament which runs daily through December 4. Television sets will go to winners of men's and women's divisions in the handicap event.

Lions-Sponsored Cub Pack Meets, Awards Announced

Daly City-Colma Lions-sponsored Cub Pack 244 held its first meeting of the new season Wednesday last week. Featured was a telephone company movie on the Echo satellite.

Cubmaster Bob DuMont, assisted by Sam Chervellera, presented awards to: Tommy Martinez, Charlie Chervellera, Albert Bertini, Allan Curtis, Frank Solari, Phillip Chervellera, James Pederson, Steve Dodge, Steve Heneise, Gregory Solari, Ricky Young, Ronald Van Hauter, Richard Young, Steve Jackson, and Kenneth Wendt.

The new members were addressed by committee chairman Mr. Dodge.

PSYCHOLOGIST FEATURED

'New Approaches To School' Theme Of Next Jeff PTA Meet

"New Approaches to School" is the theme for this month's Jefferson High School PTA meeting. Dr. Kenneth Blood, school psychologist, will be the featured speaker.

The November meeting of the unit will be held the afternoon of November 10, at 3:15 p.m., in the school cafeteria.

Mrs. Vera FitzGerald, school nurse, will be the chairman at this meeting.

Mrs. Mendel Plansky, vice president and program chairman, announced that the new program books are ready and were mailed out to members this week.

All parents and friends are invited to attend this afternoon meeting. They will hear an interesting speaker, and at the same time be able to meet many of the school faculty members.

Mrs. Joseph Kusber, president of Jefferson PTA, will preside. Refreshments will be served.

Christmas Holiday 'Sales' Instruction Taught At Westmoor

The Jefferson Adult Evening School announced this week that it is adding two new classes to its ever expanding program. A class designed for persons who are planning to work in stores, shops, etc. during the Christmas holidays is planned for Tuesday and Thursday evenings at Westmoor High School, Room 5, from 7 to 9 o'clock. Classes will meet twice each week until December 8. The topics to be covered are: how a handle customers, to open and close a sale, cash register operation, business arithmetic review, and various kinds of selling. This six weeks class will be taught by Frank Terranova who has had widespread business experience.

Another class entitled, "Education for Parenthood" is conducted at Westmoor High School on Monday and Wednesday evenings from 7:30 to 9:30 in Room 5. This new two-hour class is taught by Mrs. Mary Reynolds, registered nurse, and will cover such topics as: New Baby, Baby's First Year, Nutritional Needs, Baby's Supplies, Daily Care of the Baby, and many other topics. Appointments for this class may be made by calling PRospect 6-1500.

'Winter Frolic' Will Include Men's Fashions

Our Lady of Mercy's Festival Committee today announced plans for its first social event of the season, "Winter Frolic," scheduled for Westlake auditorium on November 26.

Chairman will be Victor Sariotti said the affair will last from 9 p.m. to 1 p.m. and will feature dancing and a men's fashion show, "Fashions Flambeau." The men's exhibition reportedly will "defy description."

Head ticket chairman is Frank Clifford, PL 5-4852.

Student Council Officers Named At Colma School

Children at the Colma K-6 School are well on their way to a busy year.

The following students have been elected as their class representatives to the Student Council: Room 7, Steven Jacobson; Room 8, Carol Holmes; Room 9, Alfred Casazza; Room 14, Timothy Wilson; Room 61, Alena Moura; Room 62, Claudia Eckton; Room 63, Lauriann Sarubbi. Student Council President is Lauriann and Alena Moura is secretary.

The Student Council meets each Friday with the principal, Mrs. Eleanor Zenovich. They discuss various problems which arise from time to time and also help formulate classroom and playground policies.

This is part of the school district program for students to develop into good citizens, learn parliamentary procedure, and work together in a small group representing several hundred students.

'Standard Broadcast' Aids Students At Vista Mar School

The fourth, fifth and sixth grade students at Vista Mar School are enjoying another season of good music through the medium of the Standard School Broadcast.

The 1961-61 series consists of a half hour weekly program devoted to the music of various countries in relation to their geography, history, legends, art, literature and everyday life of the people.

The students are incorporating listening to the broadcast as a formal part of the music appreciation program and also use it as a stimlus to develop other areas of the school curriculum.

Through the broadcast, the students have the opportunity to hear symphony orchestras, vocal groups, instrumental soloists and regional orchestras.

Episcopalians' 'Loyalty' Fete Saturday Night

Saturday night, November 5, is the date set by the St. Martin's Episcopal Church of Westlake for their annual "Loyalty" dinner. Starting at 6 with a delicious ham dinner the evening will conclude after an interesting and varied speaker's forum.

The program for the evening will start with Mrs. Reuban Hunt presenting a history of St. Martin's. Don Davis will speak on the needs of the church. Cannon James Shaw and Stanley Bacon will close the program with a report on stewardship and the pledge report of the church.

The executive committee in charge of the dinner includes Chairman Mrs. Stanley Bacon, Co-chairman Mrs. Laraine Thompson, Mrs. Dorothy Ober, Mrs. Lincoln Walter, Mrs. Warren Pollack, Mrs. John Watson, and Mrs. Stan Jones.

The purpose of the dinner has been set forth as a gathering of the church family to reaffirm their loyalty and fellowship. No charge is made for the dinner and no solicitations or pledges are taken. Everyone is welcome, especially any new residents in the community. Mrs. Bacon can be contacted at PL 5-1783 for further information. A complimentary babysitting service is also provided.

CAREFUL DIET WILL WARD OFF HEART TROUBLE

It is almost as important for the average man in the coronary age to have his blood-cholesterol level accurately checked once or twice a year as it is for him to keep careful table on the level of his blood pressure.

This is the opinion of Dr. Francis L. Chamberlain, clinical professor of medicine at the San Francisco Medical Center of the University of California, and immediate past president of the American Heart Association.

Several factors appear to be closely linked with the development of coronary disease, says Dr. Chamberlain, among them high blood pressure, obesity, the exercise factor, and one's particular sex.

As to the question of fats in the diet, the U.C. medic feels that there is now sufficient evidence incriminating solid fats as a causative factor in hardening of the arteries.

An appraisal of current medical thinking on the causes of coronary disease will be offered by the University Explorer in a broadcast entitled "The Coronary Age," Sunday, November 6, over the CBS radio network.

The program will be heard at 9:30 a.m. over KCBS, San Francisco; KNX, Los Angeles; and other stations of the Columbia Broadcasting System.

Second Program Of Art Movies At S.F. State

The Creative Arts Division and the student's Art Club of San Francisco State College, in conjunction with the Associated Students, will present the second program of the fall series of ART MOVIES on Wednesday, November 9, from noon to 1 and 7:30 to 9:30 p.m. in the Main Theatre. Admission is free.

The major film of this program is NO MORE FLEEING, undoubtedly one of the most distinguished experimental films of the post-war era. "An authentic avant-garde work, a film of surprising power, with choreographed movement and a suggestive use of images and sound," it offers a devastating comment on the European mood in mid-century. The existentialist atmosphere — the tradition of Camus and Malraux — is greatly enhanced by Gerhard Ruehm's twelve-tone experimental score. This major work by Herbert Vesely received the Award of Exceptional Merit, the Creative Film Foundation's Highest Honor.

In addition the following films will be shown:

SCARF OF SMYRNA, directed by Villiers, is a recent French film based on a story by Jean Giono. Through inanimate locations, expressing a meaningful mood, mysterious death is peddled by a huge blue unbrella moving through the beautifully photographed farms and villages of the Provence countryside.

SHORT SPELL is an award-winning, ingeniously funny and imaginative visualization of the letters of the alphabet, full of charm and delightful puns.

A CLEVER DUMMY is a 1917 vintage Mack Sennett comedy starring the incomparable Ben Turpin and Chester Conklin in a hilarious slapstick pantomime.

Special Babysitting Service For Parents On Election Day

Temple Judea's youth group, JOY, will provide special babysitting service next Tuesday afternoon from 2 to 5 as a convenience for Daly City residents who would like to leave their children while they vote.

In charge of the babysitting will be Judy Liss, 125 Ashland drive, PL 5-8758, and Marsha Langsam, 67 Palmdale avenue, PL 5-7024. Their mothers will be with them to supervise the babysitting.

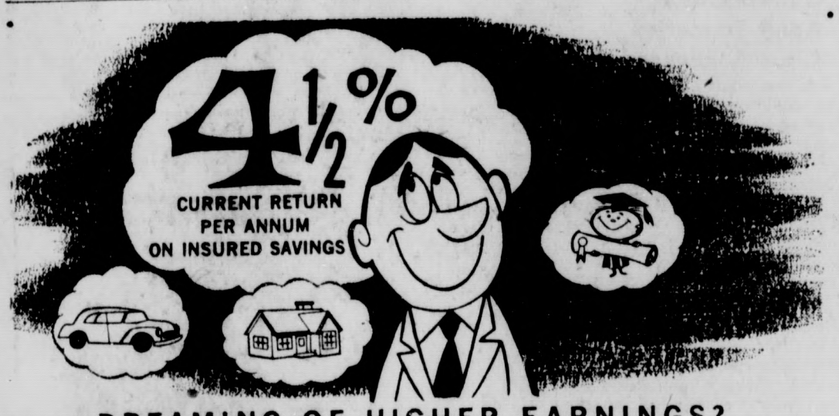
Mothers who leave their children at these two addresses more than 20 minutes will be charged a slight fee.

YWCA Classes 'Preparation' For Holidays

It's not too early to start thinking about all the wonderful good times you'll be having over the Christmas holidays, and it's not too early to start making your plans for an attractive house and a delightful table. Making your hopes come true is part of the job of the YWCA and the two new classes sponsored by the Y is its way of doing it.

Beginning Monday, November 7, there will be two classes of Christmas Flower Arranging. Come to the Westlake Clubhouse at 10 a.m., or to the Westmoor High School that evening at 8. Arrangements using fresh and dried flowers will be taught. The low fee of $4.50 for four weeks can make it possible for everyone to attend.

Also starting Monday, November 7, will be two classes in Christmas cooking. There will be many wonderful ideas for hors d'oevres, quick dishes and many other holiday treats. Come to the Westlake Clubhouse at 10 a.m., or to the Westmoor High School in the evening at 8.



DREAMING OF HIGHER EARNINGS?

Why just dream of higher earnings? Wake your money up by putting it to work in a Systematic Savings account. It'll spring into action by 4½% return per year, with earnings paid semi-annually. And it's insured to $10,000 by a permanent agency of the Federal Government. Another thing, tuck your bundle in at Systematic Savings by the 10th of the month, it earns from the 1st.

WE URGE A "YES" VOTE FOR PROPOSITION 6 --- Daly City Golfers

PROPOSITION 6 is a corrective measure adopted by a two-thirds vote of the State Legislature. Its purpose is to right a wrong which I believe to be critical. Discriminatory taxation is being practiced through a strange kind of assessment theory. As a result, certain of our recreational facilities are taxed in the manner of income properties.

Organized groups of well-meaning people have promoted the belief that heavy penalties should be levied on properties where others relax and play. A principal target is the well kept, highly improved golf course. This they would assess as if it were property occupied by apartment buildings, residential subdivisions, stores and factories.

Their zeal to put everything on a tax-to-the-limit basis could result in a trend to convert every piece of land into a building site. Surely every community is entitled to breathing space — parks, playgrounds, recreation areas, golf courses, tennis courts.

Golf is adult recreation—growing more and more popular; and more golfing facilities are needed to catch up with our rapidly expanding population. The non-profit golf club pays a substantial tax today because a well kept golf course and all its facilities constitute improved property. Let's not saddle these clubs with punitive assessments and thus tax them out of existence.

I have no doubt that the gentlemen striving to defeat Proposition 6 are quite sincere — however misguided. Please keep California GREEN. Vote for Proposition 6. Yes — vote YES on Number 6.

Association Elects Noonan President

New officers were announced today by the St. Francis Heights Improvement Association of Daly City.

Elected president was Tom F. Noonan, an elementary school district trustee and telephone company official. He was vice president last term and presided in the absence of president Al Bellister.

Attorney Edward Del Carlo is new vice president, Mrs. Russell (Mary) Presting is secretary, and Henry Van Kirk is treasurer.

The Association's board of directors includes Alfred Palacios, Sanford Heisler, Gertrude Green and Lewis J. Loevy.

Noonan said Association membership totals about 200 families "and all St. Francis Heights property owners are encouraged to join."

The Association, now in its second year, meets the last Friday evening of each month in Daniel Webster Elementary School's multi-purpose room, Cerro and El Dorado drive.

LAKESIDE GROUP OF HADASSAH'S BOARD TO MEET

Lakeside Group of Hadassah will hold its first fall board meeting on Wednesday, November 9, at 12:30 p.m. at the home of Mrs. Stanley Felix, 2900 Lake street, San Francisco.

New Cardiac Studies Show Instant Changes

The first reported measurements of beat-to-beat changes in pumping activity on both sides of the heart have been described to the American Heart Association by investigators from the Cardiovascular Research Institute at the University of California Medical Center here.

These experiments, performed in dogs, permit study of minute changes in pumping activity while the animals are awake, comfortable, and moving freely about. The work is leading to new concepts of normal and abnormal cardiac function. U.C. investigators are now using the same techniques to study what happens to heart function after an artificially induced coronary occlusion.

Drs. Abraham Guz and Julien I. E. Hoffman, senior fellows of the San Francisco Heart Association, designed the studies. Dr. Santiago Guzman, visiting from the University of the Philippines, is collaborating on the studies of coronary attacks.

The research makes use of a miniature electromagnetic flowmeter developed by Dr. Alexander Kolin of UCLA. The meter is planted surgically around a selected blood vessel; with each beat, it measures the amount of blood passing through the vessel. The San Francisco researchers use flowmeters around the aorta and the main pulmonary artery to determine the amount of blood leaving the left and right ventricles or pumping chambers of the heart.

Important findings so far include these: (1) The length of the diastolic or non-pumping phase of the heartbeat is critically important in determining the amount of blood that is pumped a moment later, because the diastole is the time during which the ventricles fill. (2) A faster pulse rate is the heart's mechanism for pumping the additional blood needed during increased effort. (3) The amount of blood leaving the heart increased sharply and sometimes even doubled while the animals were eating.

Ordinance No. 524

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294, and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California, have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and general welfare of the City of Daly City requires that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning;

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to R-3 from R-2 classification.

Said property is described as follows:

All that real property situated in the City of Daly City, County of San Mateo, State of California, as follows:

Lot 19, Vista Marina, corner of Hillside Boulevard and Como Street.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 10th day of October, 1960.

Passed and adopted as an ordinance of the City of Daly City the 31st day of October, 1960, by the following vote:

AYES, Councilmen: Dennis, St. Clair, Verducci, Pacelli

NOES, Councilmen: DeBernardi

ABSENT, Councilmen: None

EVELYN MOSMAN
City Clerk of the City of Daly City

APPROVED:
Francis P. Pacelli,
Mayor of the City of Daly City

Firmness and Freedom....

Vice-President Richard Nixon's confrontation with Communist Dictator Nikita Khrushchev: The Free World watched and cheered.

or APPEASEMENT and APOLOGIES....

Which do you want?

Again and again and again, in the Great Debates, candidate Kennedy has advocated policies of appeasement that in the past have led to war. He has run down his own country's strength and accomplishments before the eyes of the world. He has advocated domestic policies that would hike our taxes, lower our standard of living, encourage a disastrous round of runaway inflation, and inflict Government controls in countless areas of our everyday lives.

Instead of standing firm against the brutal belligerence of Khrushchev, candidate Kennedy has suggested that an American President should apologize for protecting America from another Pearl Harbor.

In sharp contrast, Vice-President Nixon—and Ambassador Lodge—know that to keep America strong and free, our country's leaders must *believe* in freedom—for Americans and people of good will everywhere.

Richard Nixon knows that America can't continue to win the race against Communist Russia if we retreat from our proved system of freedom, and fall into the pattern of an all-powerful Government that controls every aspect of its people's lives.

FOR FREEDOM—FOR AMERICA

NOTICE INVITING SEALED PROPOSALS OR BIDS FRANKFORT STREET IMPROVEMENT DISTRICT PROJECT NO. 1960-1

Pursuant to the Municipal Improvement Act of 1913, and the resolution directing this notice adopted on October 10, 1960, by the City Council of the City of Daly City, said Council invites sealed proposals or bids for the construction of pavement, curbs, gutters, sidewalks, guard rail, street signs, water mains, valves, fittings and appurtenances, sanitary sewer mains, house laterals, manholes with frames and covers and appurtenances, as more particularly described in Resolution of Intention No. 2879 adopted by said Council on October 10, 1960, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on October 14, 1960.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Engineer of Work submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor.

Notice is hereby given that on October 10, 1960, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the City, amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said City signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 9:00 o'clock P.M. of the 14th day of November, 1960, Council Chambers, City Hall, Daly City, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour.

A copy of the plans and specifications may be obtained from Theodore V. Tronoff, 345 Park Plaza Drive, Daly City, California, upon payment therefor of $5.00, which will be refunded if said plans and specifications are returned within ten days.

Dated: October 10, 1960.

'Loyalty Dinner' Saturday Evening At St. Martin's

One of the year's most important social events for members of St. Martin's Episcopal Church is the annual Loyalty Dinner which will be held this Saturday at 6 p.m. at the church. General chairman is Mrs. Stanley Bacon and she is assisted by Mrs. George Thompson and Mrs. Victor Graf. Baby sitting will be provided by members of the Young People's Fellowship.

Other St. Martin groups meeting this week include St. Mary's Guild on Wednesday, junior choir on Wednesday, and adult choirs on Thursday. There will also be a meeting of the Senior Acolytes on Thursday at 4 p.m.

Ursuline Guild To Hear Talk By Mother Christopher

Mother Christopher of the Convent of the Good Shepherd will be the guest speaker at Ursuline Guild's meeting on Wednesday, November 9, at 8 p.m. in St. John's Ursuline High School Auditorium, 4056 Mission street.

Mother Christopher will describe the work the Good Shepherd Nuns are doing to rehabilitate wayward girls, and she and Mother Sacred Heart will conduct a question and answer session. Mrs. Anthony Virgilio is chairman of the meeting's hostesses.

REVISED AUTOMATIC TRANSMISSION

All 1961 Lark six-cylinder models feature a revised automatic transmission and a new convertor. This transmission incorporates such features as a one-way clutch to provide for smoother shifting characteristics.

Ordinance No. 525

ORDINANCE ADDING SECTION 1312 TO ORDINANCE NO. 467 OF THE CITY OF DALY CITY TO DECREASE STATE LAW MAXIMUM SPEED ON EASTMOOR AVENUE

The city Council of the City of Daly City does ordain as follows:

1. Ordinance No. 467 of the City of Daly City, being an ordinance regulating traffic upon the public streets, is hereby amended by the addition of the following section thereto, to wit, Section 1312.

Section 1312 - Decrease of State law maximum speed. It is hereby determined upon the basis of an engineering and traffic investigation, that the speed permitted by State law outside of business and residence districts as applicable upon the following streets is greater than is reasonable or safe under the conditions found to exist upon such streets and it is hereby declared the prima facie speed limit shall be as herein set forth on those streets or parts of streets herein designated when signs are erected giving notice thereof:

Name of street or portion affected.
The entire length of Eastmoor Avenue in Daly City.

Declared prima facie speed limit.
25 miles per hour.

2. **Penalty.** Any violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by imprisonment in the City jail or in the County jail for a term not exceeding six months, or by a fine of not more than $500.00 or by both such fine and imprisonment.

3. This ordinance shall be published once in The Record, a newspaper of general circulation in the City of Daly City.

Introduced this 10th day of October, 1960.

Passed and adopted as an ordinance of the City of Daly City, California, at a regular meeting of the City Council of the City of Daly City held on the 31st day of October, 1960, by the following vote, to wit:

AYES, Councilmen: DeBernardi, Dennis, St. Clair, Verducci, Pacelli

INVITATIONS FOR BIDS

CENTRAL ADMINISTRATION AND EDUCATION CENTER

Notice is hereby given that the Jefferson Elementary School District, an elementary school district, San Mateo County, California will receive complete bids for furnishing all labor, material, transportation, plant and services for construction of the Central Administration and Educational Center and all appurtenant facilities on public school property in Daly City, San Mateo County, California. Each bid for the project shall be in accordance with the plans, specifications and other contract documents for the project.

Copies of the plans, specifications and contract documents are available at the office of the Architect, Angus McSweeney, Inc., 2960 Van Ness Avenue, San Francisco, California, where they may be examined and copies obtained by General Contractors licensed by the California State Contractor's Bureau. Plans, specifications and contract documents may be obtained upon a deposit of a certified check in the amount of $50 for each set. The deposit will be refunded upon the return of such copies in good condition within five days after the bid opening.

Bidders are responsible for examining the contract documents to assure a complete set.

Bidders are hereby notified that the wage scale prevailing in this area, and set forth herein and in the contract documents, has been adopted by the School District as the rates which shall be applied to the project. The wage rate applicable for a craft not hereinafter listed shall be the rate prevailing for such craft adopted by the San Mateo Building and Construction Trades Council.

Bids shall be made on the forms included in the specification and shall be accompanied by a certified check or bid bond of ten (10) percent of the bid amount. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded to him. The sum will be declared forfeit if the successful bidder refuses to enter into said contract.

Sealed bids will be received until 4:00 P.M., P.S.T., Nov. 16, 1960, at the office of the District Superintendent of Schools of the Jefferson Elementary School District, 48 Park Plaza Drive, Daly City, San Mateo County, California, when all bids will be publicly opened and read.

The Board of Trustees of the Jefferson Elementary School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw any bid submitted by him for a period of 60 days after the date set for the opening thereof.

Westlake's Brilliant New $10,000 Fountain Makes Debut This Friday

Westlake Shopping Center has a new "beauty mark"—a $10,000, spectacularly beautiful, illuminated fountain. The new Westlake fountain will be formally put into operation this Friday night, November 4, at 8 o'clock.

The new fountain has been constructed at the north end of Westlake Shopping Court and will be seen from Alemany boulevard as visitors to the shopping center drive in. It is built of bright blue mosaic tile, with the standards of the fountain in brilliantly colored contrasting mosaics, so that it will be as beautiful during the day as it will at night.

Spectacular as it will be at all times, at night it promises to be especially unique, with colored lights illuminating the bottom of the pool into which the fountain's waters fall. Additionally, a color-scope will permit ever changing colored lights to play upon the waters of the fountain as they arc over its top.

The public has been invited by Henry Doelger, builder of the fountain, to come to Westlake this Friday night and see the lights and waters as they are turned on for the first time. A few brief remarks will be made to commemorate the event.

In addition, the 1961 Westlake Auto Show will be open to the public, without charge, until 9 p.m. on Friday evening.

Still Tickets Left For 'Silver Ball'

Miss Adele Guibert, chairman of Ursuline Alumnae's Silver Ball, reports that there are a few reservations left for this event honoring the Class of '35, scheduled at Westlake Auditorium on November 5 at 8 p.m.

Alumnae members and their friends are asked to make reservations as soon as possible for this social evening, which includes buffet and dancing.

MORE LEGROOM

Rear seat legroom for 1961 Studebaker Lark sedans and hardtops has been increased from 39 to 40 inches. Another inch has been added between the steering wheel and cushion to provide the driver with more legroom.

SKI RESORTS

There are over 400 ski resort areas in the United States, reports the California State Automobile Association.

Highway Patrol Gives Tips To Bike Operators

Bicyclists have every bit as much responsibility to adhere to mtor vehicle laws as do automobile drivers, Capt. J. W. Kennedy, commander of the California Highway Patrol's Redwood City area, said this week.

"Some riders operate their bicycles as though immune to the laws which govern vehicle operation. Actually, it is incumbent upon them to know and observe all traffic rules," he said.

"In addition, there are several tips which can help make your bicycle trip safer. First of all, always ride bikes in single file, if there are two or more in a group. Riding abreast spreads bikes across the roadway, greatly increasing the chances of a car hitting a bicycle.

"Second, never ride double on a bike built for one person. The instability resulting from the added weight may cause the bike to take an unexpected turn —right into the path of a car.

"Third, keep your bike in good condition. Check the brakes periodically, lubricate it, but don't make alterations which may increase the danger of riding. One recent fad has found many youths raising the handlebars to a point where the grips are above the level of the head. It takes measurably longer—up to 15 feet— to stop a bike when the handle bars are that high," Capt. Kennedy said.

"Fourth, when riding at night, you are required to have a white light visible for 300 feet, on the front of the bike, and a red reflector (or light) on the back, visible for the same distance to the rear.

"Just as in driving an automobile, alertness, courtesy and attention to the laws of the road contribute to the safe operation of a bicycle."

OUR LADY of Mercy School is awarded perpetual trophy for placing first in Fire Prevention Week competition conducted in Daly City area public and parochial schools. Fire Pttn. Chief Frank Specht and Chief Elmer Kennedy congratulated seventh grade poster winner Jeffery Quiros and eighth grade second placer Marion Lawson for their achievements. Our Lady of Mercy has won the trophy twice in the past five years. THE RECORD photo

Evening Art Classes Open At Westmoor

The evening art classes at Westmoor High School, under the direction of Mrs. Lois Locker, have openings and will cover all levels of instruction, with emphasis on individual needs and interests of class members. The class on Monday evening deals with Still Life and Figure Drawing and employs the use of a model. The class on Tuesday evening is entitled "Life Portraiture and Drawing." All classes meet in Art Room A & B from 7 to 9:45 p.m.

Mrs. Locker is currently showing paintings at the Reynolds Gallery in the San Francisco Art Museum and is also showing her paintings at the Edward Dean Gallery, 4273 California street, San Francisco.

Class sessions include techniques in drawing and painting, use of charcoal, water colors and oils; principles of color and design. For further information, call PLaza 5-1162.

Missionary To Cuba Speaker Here Sunday

Two Nazarene churches will hear the Rev. Lyle Prescott, returned missionary from Cuba and Puerto Rico, on Sunday, November 6.

Prescott served for nearly 12 years as superintendent of the denominational missions in Cuba with headquarters in the Havana area. Since 1957 he has served as superintendent of the Nazarene work at San Juan, Puerto Rico.

As a talented speaker and musician, Prescott will tell of the gospel work in Puerto Rico and play piano solos and sing hymns in Spanish. In these days of unrest in the Latin American countries his words concerning the work of Christian missions there will be of vital interest. He will illustrate his talk with colored slides and souvenirs from the field.

Prescott was educated for the ministry at Pasadena Nazarene College. He also had graduate studies at the University of Omaha, and in Cuba and Puerto Rico.

Prior to his going to the mission field he served as pastor for five years in Colorado and Nebraska.

The Rev. Glenn Chaffee, pastor of the First Church of the Nazarene, and the Rev. Vernon E. Thomas, pastor of the Broadmoor Church, welcome any who may desire to hear Prescott.

'Mystery' Movie On Agenda Of Rotary

Program chairman Irv Scott presented Dick Morris of Pacific Telephone and Telegraph with a "Mystery film" as the feature of the Daly City Rotary Club program this Wednesday noon at Westlake Bowl.

President Lou Minkin cited last week's interesting talk by Dr. Joseph J. Downing on San Mateo County's mental health services. Downing told Rotarians that statistics show one out of every 10 people need some form of mental health service.

El Portal School For Handicapped Formally Dedicated

The new El Portal School for orthopedically handicapped children was dedicated Sunday afternoon. This facility is located on Crystal Springs Road, San Mateo, and is maintained by San Mateo County for orthopedically handicapped boys and girls throughout the county.

Classes not only include those for orthopedically handicapped and cerebral palsied, but also a new demonstration class for neurologically handicapped. This class is authorized by the state of California in an effort to provide educational programming for neurologically handicapped and as a pilot program which hopefully will yield more knowledge and understanding about the neurologically handicapped child.

The new El Portal School carries behind it a long history of personal and financial participation by scores of organizations and hundreds of individuals in San Mateo County. This building was financed through the first county-wide bond issue for school purposes in the history of the county. It is believed that it will come to be recognized as the outstanding building for its purpose within the State.

Dedication ceremonies featured Mrs. John Gish, and former County Superintendent of Schools, Pansy Jewett Abbott, under whom the original program for cerebral palsied children began. After the ceremony there was an open house.

MANY SHOP CLASSES AT ADULT SCHOOL

The Jefferson Adult Evening School has many shop classes open to men and women who wish to learn or improve their skills in various hobbies or trade areas.

Two classes in Woodworking are available at Westmoor High School on Wednesday and Thursday evenings. The Wednesday class is for persons with little or no experience and the Thursday class is for more experienced people. The instructor will demonstrate the use of the latest power tools such as power saws, lathes, planer, jointer, and numerous hand tools. Explanations will be furnished on paints, lacquers, stains, regarding projects. Wood for many projects can be purchased from the teacher.

A similar class is offered at Jefferson High School, 6996 Mission street, Daly City, on Thursday evenings.

If you want expert instruction on how to fix your car or to keep it running smoothly, why not try the two classes in Automotive Mechanics at Westmoor High which are held on Tuesday and Thursday evenings from 7 to 9:45 p.m. George Chrestionson teaches one class and Harry McDevitt instructs the other.

Appropriately Timed Candle-making Class Starts Next Week

November 9 will mark the kick-off of Daly City Department of Recreation's first candle-making class. Under the direction of Mrs. Ruth Galindo, emphasis will be placed on the construction of different types of candles and design of holiday candles.

Adult classes will be held on Wednesday evenings from 7:30-9:30 o'clock and teenage classes will be held on Thursdays (starting November 10) from 2-4 p.m. All classes are scheduled for War Memorial Community Center.

For further information, call PL 5-0850, Ext. 18.

PERSONALIZED PERFORMANCE

With an exceptionally wide choice of engine, transmission and axle ratio combinations, the 1961 Studebaker Lark's performance can be customized to all operating requirements and geographical conditions.

12 Pheasant Hunting Areas OK'd By State

Twelve pheasant hunting cooperative areas, open to the general public, have been lined up by the California Department of Fish and Game for the 1960 pheasant hunting season.

The annual pursuit of the gaudy - colored upland game bird opens for a 16-day run throughout most of the state beginning November 12 and continuing through November 27.

Checking stations on all co-ops will open at 6 a.m. on opening weekend and 7 a.m. thereafter. Permits will be issued on a first - come first - served basis. (No lists made up by hunters waiting in line, will be honored). Shooting time is 8 a.m. and quitting time is 4:30 p.m.

On the Etiwanda Co-op in San Bernardion County and the Morena Co-op in San Diego County a 10-day season, from November 12 to November 21, will prevail.

In addition to the 12 pheasant co-ops, pheasant hunting will be permitted on a fee basis on five state Waterfowl Management Areas (Honey Lake, Gray Lodge, Grizzly Island, Los Banos and Mendota) and on three National Wildlife Refuges (Colusa, Sutter and Merced) under certain conditions.

A hunter must have his hunting license and pheasant tags before permits can be issued. Licenses and tags may be purchased from any authorized Fish and Game license agent throughout the state.

Apron Parade Set By OLPH Mothers Club

The Mothers' Club of Our Lady of Perpetual Help School will receive Communion at the 8 a.m. Mass this Sunday. All mothers are asked to attend. Due to a motion passed at the last meeting the new time for the Mothers Mass will be 8 a.m. on the first Sunday of each month.

The meeting for November will be held next Thursday at 8 p.m. in the school hall, 80 Wellington avenue. As in the past, the mothers will fill a basket and present it to the Sisters of St. Joseph for Thanksgiving.

The main event on the program is an apron parade. Prizes will be given for the best fancy apron and most practical. After the meeting the aprons along with other homemade items will be sold by the sewing group. Purchases may be made for Christmas, showers and weddings.

A social is planned after the meeting. The second grade mothers will be hostesses. Mrs. James McClung and Mrs. David Hansen are chairmen for the affair. Every mother of the parish is invited to attend.

DC Sea Scout Ship Announces Recruit Drive

The Admiral Nimitz, Daly City's Sea - Scout Ship, has started on an all-out recruiting campaign to expand the size of the unit. With four sailboats and a six-place "double banked" pulling boat, the ship's officers and petty officers felt equipment would be sufficient to support at least a thirty-member group.

Six new members were added at once when a group originally intent on starting their own unit, with sailing equipment loaned by the Nimitz, decided instead to join Daly City's WSIA-sponsored ship. Among these young men, all of them former Scouts, are Bob Mathes, Dick Merritt, Chuck Craner, Mark Clark and Ted Gordon.

Stu Klemm, younger brother of the Nimits, Yeoman Hep Klemm, has also enrolled as a new member.

High school and college students are eligible to join regardless of whether or not they have sailing or scouting backgrounds. Interested young men are invited to contact Darryl Deinhard, ship's executive officer, PLaza 6-4318, or Frank De Martini Jr., second officer, PLaza 6-1946.

SSF Women's Club Delegates Attend Meet At Sausalito

South San Francisco Woman's Club was represented at the recent executive board meeting of Golden Gate District of California Federation of Women's Clubs held in Sausalito.

Attending were Mrs. Sherman Nash, president of the local club, accompanied by Mrs. Alfred Crichton Jr., Millbrae Women's Club, second vice president of Golden Gate District, and Mrs. William Kasper, recording secretary for the same district.

Feature speaker was Miss Ivy M. Loeber from St. Helena, state chairman of California History and Landmarks, using this field as her topic. A resume of propositions on the November ballot was presented by Mrs. Sylvester McAtee, legislative chairman of Golden Gate District.

Mrs. S. C. Stapp, president of the Sausalito Women's Club, greeted the large group of guests at the hillside club which was dedicated in 1913. The luncheon featured ham with Japanese curried rice served at attractively decorated tables centered with straw flowers.

'Ineligible' Veterans May Make Application To 'Correct' Records

Former service personnel ineligible for veterans benefits, because of other than an honorable or general discharge from the service, have one year to apply for correction of alleged error or injustice, San Mateo County Veterans' Service Officer Floyd D. Granger, announced today.

Under Public Law 601 (79th Congress) the Secretaries of the Army, Navy, Air Force and Treasury are authorized to correct any military or naval record where in their judgment such action is necessary to correct an error or remove an injustice. Applications for correction must be filed prior to October 25, 1961, or within three years of discovery of the alleged error or injustice—whichever is the later date.

The secretaries act through boards of civilian officers or employees of their respective departments, and applications to the appropriate service must be made on DD Form 149, available through the Veterans' Service Office from the Veterans Administration. The Service Office has a list of the boards to which applications should be sent.

Public Law 220 (82nd Congress) placed the October 25, 1961 time limit on the correction applications, by amending Section 207 of Public Law 601.

In addition to his original discharge or copy thereof, the veteran will be required to submit a sworn statement setting forth the error or injustice claimed, and the reason why the veteran thinks the sentence was too severe for the offense committed.

If the veteran can obtain statements from other comrades who also know of the incident in question, such sworn statements should also be submitted with his application.

The San Mateo County Veterans' Service Office is located at the Courthouse in Redwood City.

School Nurse Guest Speaker At St. Michael's

Mrs. Joyce Wisner, school nurse, will be the guest speaker at St. Michael's Mothers' Club meeting on Monday night, November 14, at 8 o'clock. She will talk on the purpose and program of the school nurse.

The Thanksgiving holiday will serve as the theme for decorations and refreshments under the chairmanship of Mrs. Ann Hull, sixth garde room mother.

How much Life Insurance should you own?
Most of us have asked this question only to discover there is no ready-made answer because needs and circumstances vary from family to family. The father of three children has greater needs and responsibilities than the young man who has just recently married. Some people have more substantial financial reserves than others. How much Life Insurance should you own to meet YOUR needs? Would it be $15,000? — $25,000? — $50,000 or more?
The Man from Manufacturers is in business to help you arrive at the right answer. Through his Security Graph Service you yourself can determine if you have enough life insurance to do the job you want done. Ask him about this special service today.

Indians May Bag First Win Friday At Blingum

Suffering their fifth straight loss last week to strong Mills, 18-0, Jefferson High's winless but improved Indian gridders may end up in the victory column this Friday afternoon when they tangle with also unvictorious (0-3) Burlingame down

Led by Tom Edwards, Mills did all its scoring in the first half, then was stopped cold by the Indian defense. Coach Joe McGrath's Daly Cityans were very much in the ball game—penetrating as close as the Mills' 2, 5 and 20-yard lines on separate thrusts.

Soph Dan Hermosillo was at QB for Jeff and he connected on 5 of 9 passes to ends Rich Reitz, Gary Molossi, Bob Brush and halfback Sam Ennon. Edwards was "held" to six pass completions—but two of these went for TD's.

Defensive halves Duane Baswell and Sal Blas and lineman Bob Guerrero turned in heavy duty for the Indians and drew praise from McGrath. Ennon again led the Indian packers in yardage.

Regular Jeff QB Bob Miller may return to the starting lineup this week. He is nursing bruised ribs.

Mills gained only 42 yards on the ground but got 110 via the air. Jeff netted 120 yards—91 of these on passing.

Following Burlingame, the Indians play host to San Mateo, then crosstown rival Westmoor, and conclude the campaign against South San Francisco there in a night game on November 23.

Teen Keglers Elect Officers At W'lake Bowl

By Bob Sexton

Saturday the youngsters at Westlake Bowl held their election of officers and came up with a president and a vice president for each league. Elected were John Barsotti, president, Bantam Pepsi Cola league, and Frank Knowlton, vice president. In the Bantam Boys Handicap league, it was Frank Lawson, president, and Bob Hood, vice president. Nancy Swanson and Lynda Cowan took over the reins of president and vice president. Over in the Jr. Boys League, its Bob Cowan, president and Glen Stanberry, vice president. Marg Clark and Loise Cummings are the new officers for the Jr. Girls League.

San Diego Eleven Homecoming Foe For SF Staters

Spirited by a 41-0 rout over the Cal Aggies last week, San Francisco State's varsity Gators will climax the college's 68th annual homecoming when they play host to the University of San Diego this Saturday at 2 in Cox stadium.

The invaders are 3-3 for the season and last week upset the heavily favored San Diego Marines, 21-20.

SF State, coached by Joe Verducci, has lost only to Humbolt State this season. The Gators are led by halfback Charley Fuller, who has tallied 13 touchdowns this campaign.

Anthony Cardinale In Combat Project With 10th Infantry

Pfc. Anthony J. Cardinale, son of Mr. and Mrs. John Cardinale, 103 East Vista avenue, Daly City, participated in the U. S. Army Combat Development Experimentation Center's fall field project on the Hunter Liggett Military Reservation in California. The project ended October 14.

Cardinale is a member of the 10th Infantry, which assisted the center in its evaluation of combat tactics, techniques and organization that will be used by the Army to meet future requirements.

Cardinale is regularly assigned to Fort Ord. He entered the Army in September 1958 and was last stationed in Korea. The 19-year-old soldier attended Jefferson High School.

Daly City Pair Complete Advanced Marine Training

Marine Pvt. John E. DuPree, son of Mrs. Gertrude King of 337 Knowles avenue, and Pvt. Oscar H. Hernandez, of 691 Skyline drive, both of Daly City, completed four weeks of individual combat training October 14 at the Marine Corps Base at Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Daly City Sailor Finishes Training

Harold N. Gordon, son of Mr. and Mrs. Sam Gordon of 112 Mateo avenue, Daly City, graduated from recruit training October 21 at the Naval Training Center in San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

Amateur Boxing Card Main Bout 'Outstanding'

Jimmy Kassinger, 130-pound senior at Capuchino High school, won a split decision over Jesse Arceo of Stockton last Thursday evening in the main event at the Daly City War Memorial Community Center.

The bout was so good that the fans threw money into the ring at its conclusion.

Results of the other fights were:

165-pound class — Romeo Mandez, San Jose, KO'd Elson Echeverria, San Francisco, 2nd round; 135-pound class — K. C. Glass, Redwood City, dec. Barry Phillips, San Francisco; 150-pound class — Benny Perez, San Francisco, KO'd Butch Newton, Oakland, 2nd; 135-pound class — Pete Trujillo, San Jose, dec. Ralph Quintara, San Francisco; 175-pound class — Willie Smart, Richmond,

League Champs Tournament At Westlake Bowl

Westlake bowlers start rolling Saturday in the second annual Westlake League Champion Tournament. About 200 entries are expected to vie for champ-of-the-house honors and the $250 first prize.

The squads will roll at noon, 2, 4 and 6 p.m. Saturday and Sunday, continue the following weekend, have the semi-finals for the top 25 percent on November 19 and 20 and finish November 26-27.

Only bowlers with a Westlake league average can compete on a handicap basis, 2/3 of 200 using the current 21-game average or 1960 Bluebook, whichever is higher.

The keglers will bowl five games across 10 lanes in the qualifying and semi-final rounds and roll 20 games across 10 lanes in the finals.

A $10 entry fee covers all expenses of the handicap.

Sure to be an entry is John Hannon whose 280-170-190-640 series last week set the highest sanctioned game record in the Knights of Columbus league since the season started.

California farm products account for more than one-third of the state's total railroad shipments.

HILLSDALE NEXT HURDLE

Westmoor Footballers Wallop South City; Title Hopes Mount

Westmoor's.. title-seeking varsity gridders hurdled South San Francisco, 28-13, last week and this Friday the Rams invide San Mateo to scrap with the tough Hillsdale Knights (2-1).

A victory over Hillsdale would put the Rams right on the heels of unbeaten Capuchino and San Mateo (both 3-0). And a week from this Friday, Coach Pete Matisi's Daly City gridders (2-1) play host to Cap in a game that could produce the eventual Peninsula League champion.

South City (0-3) was no match for Westmoor's solid team effort Friday. All-League inevitables, Tom Dake and Walt Prouty, two of the Peninsula's finest runners in recent years, scuttled the Warriors with dynamic bursts. Dake scored three Ram touchdowns and on 18 carries accumulated 118 yards. Prouty pestered the visitors with 159 yards on 16 hauls.

Dake is the league's leading ground gainer and Prouty ranks fourth.

Westmoor led South City 7-6 at the end of the first quarter, 14-6 at half, and 28-6 going into the last period. Soph Quarterback Mike DeBernardi scored the fourth and final Westmoor tally by returning an intercepted pass 60 yards.

Quarterback Steve Funai "ran" the locals with precision as the Rams concentrated on a punishing ground assault.

Leading the charge up front were Jim Wade, Daryl Ober, Roger Austin and Ken Magoon —veterans with all-loop possibilities.

Oceana High's Cross-Countrymen Continue To Impress The Coach

Oceana's Seahawk cross-country runners, who seem to set records every time they run, reached a new peak of proficiency October 20 when they swept the first three places (as well as the fifth, seventh and eighth spots) against strong opposition from Capuchino and Washington (S.F.) JV's.

Jim Beeler, a junior, ran what Coach Dennis Lanterman termed a "fantastic" 9:50 for the 1.9 miles.

"The fastest time by a high school runner at the same distance that I ever heard of," said Lanterman, "was 9:45."

Beeler wasn't the only talent offered by Oceana in that race.

A soph, Jim Vincent, was right on Beeler's heels with a 9:53, the second all-time school record set in the same race.

Pete Lovier, a junior who until a few weeks ago had never run in competition, ran third with a fine 10:30.

In soph competition, Steve Little, who previous to the meet had held the school record with a 10:20, placed at 10:29. Lanterman later said that Little was "off his feed."

In frosh competition, the Seahawks came up with the first four places, were beaten out of fifth, and then ran sixth and seventh. Dwight Carter was the winner in that one.

On October 22, Vincent, running against South San Francisco's sophomores, broke a South S.F. stadium record by 40 seconds with a 10:19.5. Pat Sanderson was behind him, a South S.F. boy slipped into third, and three Oceana leggers (Carl Harris, Bob Hernandez and Robert Fulton) took the next spots.

Varsity competition saw Oceana garnering the first three places with Beeler, Little and Steve Fanucci running in that order.

* * *

Carter Boyett, star halfback on the football team(one of the two leading gushers) and junior class president, has been honored by a national testing service (Science Research Associates, Inc.) for having placed in the top fourth (93rd percentile) of his class in California as a result of a national educational development test administered last year.

Brush Captures Tourney Title

Captain Allan Brush walked off with the main trophy in the first annual Daly City Fire Department golf tournament on Wednesday last week at Sharp Park. Scoring was by the Calloway system.

Merchants contributing to the success of the event were Pete Markovich, Johnny Swanson of Westlake Bowl, tavern owner George Kirchhubel, Duffy's Corner and Elton McGraw's Pharmacy.

SOUTH CITY WINS CROWN

Jeff 10's Lose Championship Game; Indian, Westmoor 20's Co-Titlists

South City's unbeaten 110-pound cagers rallied strongly in the second half last week to defeat Jeff High's luckless Indians, 35-27, for the Peninsula League championship.

The Indian 20's also were denied the title when South SF scored a 30-18 upset and Westmoor notched wins over Mills, 44-39, and South City, 34-30. Jeff and Westmoor thus tied for first place in final 20's standings with 6-1 records.

South City's 10's wound up with a 7-0 record and Mike Orlich's Indians were second with 6-1.

Against South SF, Jeff's Steve Willis paced the 10's with 15 points. Dan Luciano was high pointer for the Indians in their loss to the Warrior 20's.

Jeff's squads defeated Burlingame's 10's last week, 22-16, with Mark Perry hitting 13 points, and the Indian 20's whipped the Panthers, 38-23, as Tom Glaser bucketed 12 points.

For Westmoor, Rich Landess had 17 points against South City's 20's, while Jeff Coupe nailed 12 against Mills. In 10's action, South SF defeated Westmoor, 40-31, but the Rams, led by Tito Torres with 11 points, tripped Mills in overtime, 25-23. The Rams 10's ended with a 2-5 record.

CITY TOUCH-FOOTBALL

OLPH Bobcats Jolt BYA Falcons To Take League Lead

The OLPH Bobcats upset the BYA Falcons, 15-0, in last week's feature game of the Department of Recreation's 5th Grade Touch-Football League. hTe win moved the Bobcats into first place with a 4-1-0 record. The Falcons now are 3-1-1. Holy Angels tied BYA Flying Goose, 6-6. Larry Nannini passed to Allen Olcese for Holy Angels' score. BYA scored when Frank Nappi recovered a Holy Angels fumble and scampered for 14 yards.

The Daly City Drugs BYA scored on the last play of the game to tie the league-leading 6th Grade BYA Untouchables, 12-12. The PAL Jets, with a 32-0 win over the OLPH Aces, drew to within one point of the Untouchables. Larry Black and Keith Stoller scored two touchdowns each for the Jets.

The 7th Grade League-leading BYA Darts drew a bye. The Darts will face the BYA Rams this week. The Rams lost their second game in five starts to OLPH, 19-13. With the Rams leading 13-12 and only 1 minute and 30 seconds remaining, Roger Sutter uncorked a pass to Bob Reese for the game-winning touchdown.

The pass-run play covered 50 yards. Sutter combined with Reese earlier in the game on a 30-yard scoring play. Larry Baker scored both Ram touchdowns on 20 and 40-yard pass interceptions. The win enabled OLPH to move into a second place tie with the Rams and PAL Colts who defeated Holy Angels, 27-6. Bill Hernan was an offensive and defensive standout for the Colts.

Benjamin Franklin won its second straight game with an 18-0 sweep over the Daly City Foghorns. Carl Eischauer scored on a 35-yard end run and a second time on a pass from Ron Montose. Jim Tracy swept right end for 32 yards and the third Ben Franklin score.

League-leading 8th Grade OLPH won its fifth straight game, defeating Benjamin Franklin, 19-6. Rich Holmberg threw two touchdown passes and scored a third TD himself to lead the winners. The PAL Raiders, with a 25-0 win over Holy Angels, remained mathematically in the race. An OLPH win over Holy Angels this week will cinch a second straight OLPH championship in this division.

You get ALL PURE POWER

Royal 76 Gasoline gives you pure power clean through.

That's because hydrogen refining (a process Union Oil developed and owns) cleans *out* impurities, leaves *in* only hard-working octanes (100-plus, of course).

You get Royal 76 at the sign of the big 76. It is *pure* and simply—The Finest.

The vote's in! And again for '61, Falcon is the people's choice!!

Right on the button for style. First choice for savings, too! And Falcon '61 comes with a trend-setting, 12,000-mile or 12-month warranty!

Popular as the Falcon was in 1960, the '61 Falcon promises even greater success against all the new candidates in the compact field!

Why? One reason is quality. The '61 Falcons have been built with such a high degree of quality, your Ford Dealer has led the industry by extending his warranty to 12,000 miles or *one full year*, whichever comes first.

And you'll find the '61 Falcon is stylish, too. It's big enough for six, and yet compact for easy handling. There's plenty of power, especially with the new optional 170 Special engine.

Come see the '61 Falcon. Look over its extended warranty and get all the details at your Ford Dealer's!
